

TOWN OF GAWLER MONTHLY FINANCE REPORT 30 SEPTEMBER 2017 FOR YEAR ENDING 30 JUNE 2018

CONTENTS

| | Page |
|--------------------------------------|------|
| Executive Summary | 2-3 |
| Statement of Comprehensive Income | 4 |
| Income Statement by Service Provided | 5-12 |

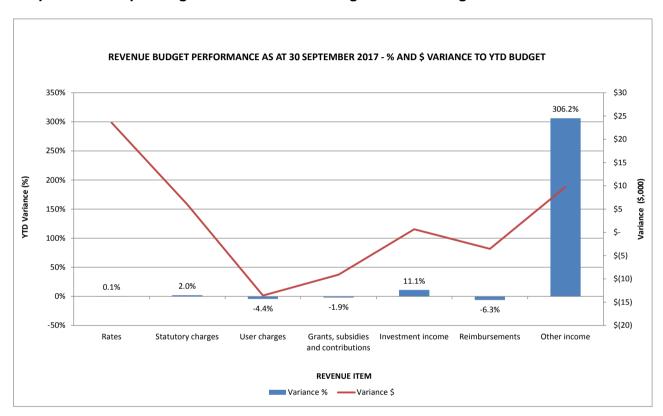

Executive Summary

The following report details the Town of Gawler's year to date (YTD) operating performance. All variances exceeding both \$5,000 <u>and</u> 5% have been identified and explanatory notes have been provided. All variances are closely monitored by budget managers and finance staff.

(a) Income

Graph 1 below shows a summary of the YTD actual operating income performance against the YTD budget.

Graph 1 – YTD Operating Income Performance against YTD Budget

Overall, the YTD actual operating income of \$22.737M is \$14K higher than the YTD budget of \$22.723M. Details of significant YTD variances at income statement level are provided below:

1. **Other Income** – Council received a payment of \$9K from a developer as compensation for the removal of a tree that was not approved by Council. This amount will be included in a future budget review.

(b) Expenditure

Graph 2 below shows a summary of the YTD actual operating expenditure performance against the YTD budget.

EXPENDITURE BUDGET PERFORMANCE AS AT 30 SEPTEMBER 2017 - % AND \$ VARIANCE TO YTD BUDGET 8.0% \$200 7.4% 6.0% \$150 6.6% \$100 4.0% % Variance \$50 2.0% 0.0% 0.0% Ś--0.3% \$(50) -2.0% **Employee** costs Materials, contracts & other Finance costs Depreciation, amortisation & EXPENDITURE ITEM Variance %

Graph 2 - YTD Operating Expenditure Performance against YTD Budget

Overall, the YTD actual operating expenditure of \$4.525M is \$194K lower than the YTD budget of \$4.719M. Details of significant YTD variances at income statement level are provided below:

- 1. **Employee Costs** Various vacant positions throughout Council during the first three months of the financial year have contributed to this favourable variance. It is anticipated that these positions will be filled before the end of the calendar year.
 - Savings from employee costs, may in some cases, be used to offset any temporary resources (such as agency staff or casuals) engaged whilst the positions were vacant in addition to any recruitment costs incurred.
- **2. Finance Costs** Council is currently reporting a favourable variance for overdraft interest paid to date. This favourable variance is expected to be incrementally exhausted in the coming months.

(c) Overall Analysis

Overall, there is a <u>favourable YTD variance of \$208K</u> at the reporting date as disclosed in the Statement of Comprehensive Income.

Erin McGarry
Financial Accountant
