OPEN ACADEMY RISING STARS 2017
MUSIC SKILLS WORKBOOK ORDER FORM

Levels WHITE, YELLOW, ORANGE, RED, GREEN

Rising Stars students in Music Skills levels White, Yellow, Orange, Red and Green are taught using the AMEB's Music Craft syllabus. This syllabus has its own workbooks. Copyright law forbids copying of books so we require students to have two copies of each book so that they can work in one whilst the teacher is marking the other. Through the Open Academy, you are able to purchase two books for the price of one.

Each level has a Book A and Book B and students require two copies of each. Generally Book A is completed in Semester 1 and Book B in Semester 2, although this may vary a little according to the progress of the class. Both are required for the purposes of end-of-year exam revision.

The prices of the 2 copies of the book are the same as recommended retail price for one. Please tick the box next to the set of books you require.
