OPEN ACADEMY RISING STARS & CONSERVATORIUM HIGH SCHOOL PERFORMANCE PLATFORM Saturday 23rd June

Joy Lee | Artistic Mentor

The Rising Stars at the Sydney Conservatorium of Music is a dynamic performance-based music education program. The program provides gifted school-age students with specialist tuition in a supportive environment that helps develop their musical and artistic skills.

At Rising Stars, we strive to identify talent at an early age, to lay a constructive foundation for a lifetime of musical achievement. Supported by the Conservatorium faculty, the program is based on proven values of quality instrumental teaching, structured academic development, regular performance and the benefits of a strong and supportive musical peer group.

The Rising Stars program focuses on three essential elements: individual instrumental lessons, group Music Skills classes, and regular performance opportunities. We believe that these three components enable our students to become well-educated and confident musicians. The program also offers electives in Chamber Music and Composition, where our students can develop their ensemble and creative skills.

PLEASE ASSIST A RISING STAR
Financial assistance for Rising Stars students is limited, and fees of $5,860 a year or $209 a week can be a challenge for parents to find. We are very grateful to our present sponsors but there are opportunities for others to help our talented students. Any amount, large or small can make an enormous difference to a young player’s musical future. If you would like to make a contribution please contact Joy Lee or Marcus Hodgson.
