

**CONSERVATORIUM OPEN ACADEMY
RISING STARS 2019 - MUSIC SKILLS
WORKBOOKS ORDER FORM**

Rising Stars students in Music Skills levels White, Yellow, Orange, Red and Green are taught using the AMEB's Music Craft syllabus. This syllabus has its own workbooks. Copyright law forbids copying of books so we require students to have two copies of each book so that they can work in one whilst the teacher is marking the other. Through the Open Academy, you are able to purchase two books for the price of one.

Each level has a Book A and Book B and students require two copies of each. Generally, Book A is completed in Semester 1 and Book B in Semester 2, although this may vary a little according to the progress of the class. Both are required for the purposes of end-of-year exam revision.

The prices of the 2 copies of the book are the same as recommended retail price for one. Please tick the box next to the set of books you require.

Please e-mail the completed form to con.openacademy@sydney.edu.au or fax to 9351 1210 no later than **Friday 12th July**.

Books will be distributed to the students only where a form has been returned.
