

NO JAB NO PLAY LEGISLATION – IMMUNISATION HISTORY STATEMENT

In Victoria, the law requires early childhood services to have evidence that children are up to date with all vaccinations due for their age before confirming their enrolment.

An **Immunisation History Statement** from the Australian Immunisation Register is the only document that can be accepted as evidence, so please ensure that you provide this with your enrolment form.

How to tell if your child is up to date

The 'next vaccine due' date on your current Immunisation History Statement from the Australian Immunisation Register needs to show a date in the future, or say 'No vaccines due'.

Vaccines are due at 2,4,6,12 & 18 months of age and at 4 years of age on the National Immunisation Program Schedule, or at a time advised by your immunisation provider if your child is on a vaccine catch-up program.
