SUNREEF 50

NEW SAILING LINE

SUNREEF 50, 60 AND 80

While working on the new Sunreef catamaran line, the shipyard's in-house designers have been looking for ways to express the spirit of a classic sail yacht. Looking for it through modern marine architecture. As the first drawings were made, the idea became clear. An all-around sailing leisure yacht range ideal for exclusive getaways, charter and transoceanic adventures emerged.

Premiered during this year's Cannes Yachting Festival, Sunreef Yachts all-new range of sail catamarans is currently enjoying an amazing success. Six luxury yachts representing this classically inspired line of multihulls have already been commissioned, including four 60-footers and two 80-footers. Observing a very positive feedback and a growing interest for this new yacht offer, Sunreef Yachts now decides to unveil yet another catamaran in the range - the Sunreef 50.

SUNREEF 50

The Sunreef 50 is an all-around sailing yacht ideal for exclusive getaways, charter and transoceanic adventures. Her clever bridge deck and superstructure design allow for a superior level of comfort on board whereas the generous teak deck, high bulwarks and classy lines underscore her modern style with a classic edge.

Her saloon opens both onto the comfortable bow terrace and also to the yacht's cockpit which is extended with a hydraulic aft platform. The hulls provide impressive volumes to set up a custom layout including airy, luxurious guest cabins and an opulent master suite with a walk-in dressing robe, desk, sofa, retractable TV and an immense bathroom.

While housing the main helm, the large flybridge is definitely dedicated to leisure with more than enough space for movable furniture, a fully-equipped wet bar and large sun pads.

Construction.....	Composite
Length.....	15.0 m / 50 Ft
