NON-HAZARDOUS MATERIAL SDS WAIVER

MND5056	M&D - On The Go - Write On Reusable Games
---------	---

- CFR 1910.1200(g)(1) states that chemical manufacturers and importers shall obtain or develop a safety data sheet for each hazardous chemical they produce or import.
- CFR 1910.1200(b)(6)(v) exempts consumer products. These are regulated by the Consumer Product Safety Commission.
- We hereby confirm that our product(s) referenced above **do not** fall under any of the below mentioned categories:
 - The product or packaging is marked with warnings including but not limited to "irritant", "harmful", "corrosive", "flammable", "oxidizing", "dangerous for the environment", "gas", "danger," "Limited Quantity"
 - The product is a liquid or contains a liquid with a flashpoint below 100°C
 - The product contains compressed gas (e.g. deodorants, hair spray, gas cartridges, etc.)
 - The product is a non-spillable battery, packed with a non-spillable battery or does it contain a non-spillable battery (e.g. lead-acid battery)
- To the best of our knowledge, this is a non-hazardous product, and therefore is not subject to this requirement.

Please contact us at (203) 762-4500 if you have any questions.
