- Please do not expose the product to splashing or water contact
- Please do not place any object on top of the product including objects filled with liquids such as vases.
- Replace with same or equivalent type.

Installation

Please follow instruction when installing this product in accordance with the instruction manual. This product must be positioned in a sufficiently stable location, it can be potentially hazardous due to falling and can cause injury, particularly to children if it positioned incorrectly.

- Before installing this Projector set, make sure your outlet voltage corresponds to the voltage stated on the product rating label
- Do not use a damaged power cord, plug or loose outlet. Doing so may cause an electric shock.
- Do not plug several devices into the same outlet. Doing so may cause the outlet to overheat and start a fire. Make sure the outlet is readily accessible during operation of the equipment.
- Do not bend, twist or kink the power cord excessively.
- Do not allow anything to rest on or roll over the power cord. Doing so may cause a fire or an electric shock.
- Do not run the power cord near heat-producing appliances such as radiators, stoves or irons. The excessive heat could melt the insulation and expose live wires, resulting in fire or electric shock.
- Unplug this Projector during lightning storms or when unused for long periods of time. Not doing so may result in fire or electric shock.
- Do not cover the ventilation openings of the product with items such as newspapers, tablecloths, curtains etc or insert objects into the slots available on the products. As this could result in the product temperature rising and could cause a fire.
- If you notice any unusual odors or smoke around the unit, immediately disconnect the unit from the outlet and contact the service center. Failure to do so may result in fire or electric shock.
- When not using the unit for long periods of time or when you are moving the unit please ensure to disconnect the power cord from the wall socket.

GENERAL SAFETY (CONT.)

- Please beware that Dust could accumulate over time on the unit and cause it to generate heat and or deteriorate insulation, which in turn may result in an electrical fire.
- The product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or young children of any age, They must be supervised product by a person responsible for their safety.
- Batteries from the remote control must be only removed by an adult, the adult must ensure to keep them out of reach of infants and children. Seek medical attention immediately if a child has swallowed a battery.
- Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
- To maintain the product do not use any chemical or cleaning agent or wet cloth, please only ensure to utilize a dry cloth to wipe it down from marks or dust and only after unplugging the product from the power socket.
- Please ensure to contact our call center for any repair or service required for the products.

! CAUTION !

DO NOT look directly into Project LENS. This can cause damage to a persons or childrens eyes. Take all nessecary precautions to make sure that no one looks into the LENS while turned on.

MAKE SURE this project is out of reach of children or baby so that they do not stand and look into the project LENS.

FAQS

MY REMOTE CONTROL ISN'T PAIRING WITH MY GOOGLE PROJECTOR?
If your remote control is not pairing or becomes disconnected, please reconnect it and pair it again in the Settings menu:

1. Press **SETTINGS** Icon
2. Select "**REMOTES & ACCESSORIES**"
3. Select "**PAIR ACCESSORY**"
4. Follow the onscreen instructions to pair your remote. Once you detect your Bluetooth Remote control, Press **OK** on remote control to select it and pair.

If it doesnt connect, try the process again until it pairs, otherwise contact our call centre.

NOTE: You can still use your remote control without pairing. However, Google Assistant will not be available until the remote control is paired.

GOOGLE TV (REMOTE CONTROL) - APP
If you want to control your Projector via your smart device. Search for: "Google TV" app and download. Once following prompts to connect your smart device to your Google Projector, you will then be able to control your Projector from your smartphone.

NOTE:
Please be noted that if device does not be operated within 20 minutes, the Google device will enter sleep/energy-saving mode. You can wake up the system by pressing the "Home" button on the remote control.
Also you can make your own setting, finding Settings → System → Power & Energy → When Inactive, where you can set a longer duration or disable the energy-saving feature entirely (select "Never" to disable it).
