PROJECT SHEET

NO NEED TO BE
SCARED OF THESE
MONSTERS!

STEP 1.

READ THE TEMPLATE

Print the template and find a clean surface to work on. Make sure you have everything you need. Start colouring in the eyes and teeth.

STEP 2.

CUT THE SHAPES

Glue the template to some thicker A4 paper using the Blu Stik. Cut out the eyes and teeth you want to use.

STEP 3.

MAKE YOUR MONSTER

Take the Bostik Blu Tack Colour and make any shape monster you like. Push the eyes and mouth onto the Blu Tack to finish off your monster. Tip the monster you create can sit on the table or stick to window, fridge, wall... or if you can reach, hang from the ceiling.
