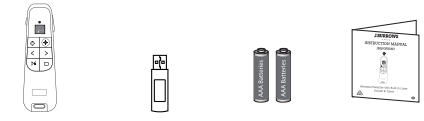
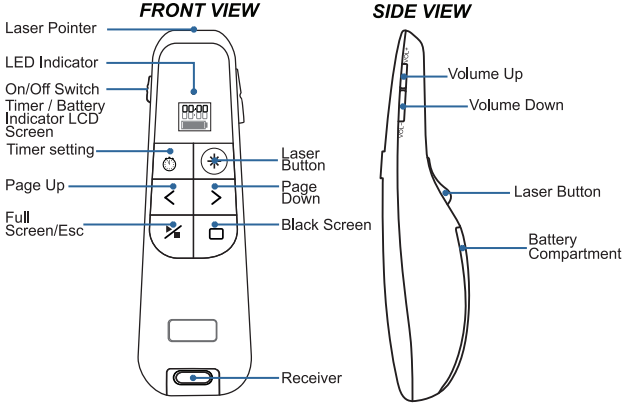
## CONTENT



A Wireless Presenter | B USB Receiver | C (2)AAA Batteries | D Instruction Manual

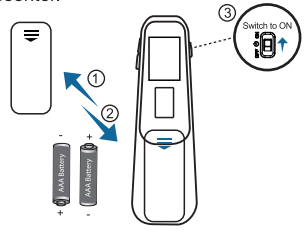
## DESCRIPTION



* Timer to set time intervals for meeting duration, discussion or breaks.

## HARDWARE INSTALLATION

1. Remove the battery cover and insert (2) AAA batteries into the presenter and turn on the presenter.



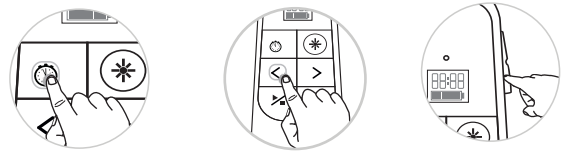
2. Turn your computer on and let your computer load completely. Now insert the USB receiver into your computer's USB port. Your operating system will automatically detect your device.

## TROUBLESHOOTING TIP

Q: How to re-establish connection to the wireless receiver?
A: • Unplug the receiver and plug it into a different USB port.
• Make sure new batteries are installed.
• Make sure the device is within 30 cm of the USB receiver and press and hold both "Right Click" and "Volume +".
• The LED indicator should blink and the device should be connected.

## USING THE TIMER

1. Hold the "Timer Setting" button for 3 seconds, you will see digits in "Minute" flashing on the LCD screen.
2. Press "Page Up" or "Page Down" to switch between "Minute" to "Hour".
3. Press "Volume Up" or "Volume Down" buttons to adjust hour or minute.
4. After setting, press the "Timer Setting" button again to start counting up.
5. The silent alarm will vibrate with 5, 2 and 0 minutes left.
6. The presenter will continue to operate after the timer has reached 0 minutes left.



Timer Setting | Hour/Minute shift | Time Adjustment
