

Keytek's "No Quibble" Guarantee is a comprehensive product warranty designed to ensure customer satisfaction and printer safety for their generic consumables. It primarily covers product defects and potential machine damage.

Key Features of Guarantee

. **Free Product Replacement:** If a Keytek product is found to be defective, Keytek will replace it at no charge.

. **Printer Damage Protection:** Keytek guarantees that its products will not cause abnormal wear or damage to your printer when used as designed. If damage is proven to be caused by a keytek consumable, they will **reimburse the full cost** of the necessary repairs or service.

. **Performance Standard:** All generic products are manufactured to meet or exceed the performance of the original equipment manufacturer (OEM) products.
