

Orca Chair

The ORCA chair is designed in a pure Scandinavian style that combines aesthetics and functionality. The backrest comes in 2 parts so that the lumbar support can be height adjusted according to different body heights to provide customised support and comfort.

Contemporary designed Executive chair with Midnight blue frame and black Korean mesh. The chair moves with you and has 4 locking positions, with a seat slider to add extra depth to the seat, allowing the chair to be set to the users' preference to further reinforce comfortability and support user-friendliness.

Featuring a high-density black fabric seat, 3D adjustable armrests and a back five-star base.

Finishes:
