Assembly

Step 1

CAUTION

Only use the sit stand desk on top of flat and stable surface, strong enough to support the product and any equipment placed on top of it. Allowing any part of the base or stand to hang over the edge may result in property damage and or personal injury.

Step 2

Press both handles on the sides simultaneously and raise the desk to maximum height.

CAUTION

DO NOT place hands on or near support bars. Pinch points are created during lifting and lowering the desktop. Failure to follow these instructions may result in serious personal injury.

Step 3

Push the keyboard tray connector into the slot and lock it.

When removing the keyboard tray, please open the levers and remove it.

Step 4

Step 5

CAUTION

Ensure that no equipment hangs over the desktop as this may result in property damage and or personal injury.

Step 6

IMPORTANT

Leave enough slack in cables to allow for full range of vertical motion. Failure to follow this warning may result in property damage and or personal injury.
