

COMPANY ACCOUNTANT

- ASX listed renewable energy company
- Company undertaking challenging projects
- Internationally recognised industry leader

Carnegie Clean Energy Limited is an ASX-listed (ASX:CCE) renewable energy group which includes Carnegie's world leading patented CETO Wave Energy technology and solar and battery company Energy Made Clean (EMC). Carnegie is at the forefront of designing, developing, financing, constructing, operating and maintaining microgrids, utilising a world-first combination of wave energy through its CETO wave technology, solar, energy storage, desalination and diesel in both on and off-grid applications in Australia and internationally.

An exciting opportunity now exists for the role of Company Accountant for EMC. This role will cover all aspects of the day to day running of the company's accounts department as well as high level support to the Financial Controller to meet statutory and reporting requirements.

What you would do:

- Preparation of month-end reporting including BS, PL, CF
- Preparation of general ledger reconciliations
- Preparation of monthly project reporting and reconciliation to operational reports, including cash flow analysis
- Analysis of budget vs actual on project and entity basis
- Responding to information requests for the half-year and annual statutory reporting audit
- Preparation of payroll
- Management of accounts receivable and payable
- Processing and reconciliation of credit cards, bank accounts and expense claims
- General support to the Financial Controller

The Candidate will possess the following:

- Bachelor's degree of equivalent in Commerce/Business
- CA or CPA (Completed or part completed)
- 3+ years relevant experience
- Experience in SMEs
- Advanced skills in Microsoft Excel
- Ability to work autonomously
- Proactive and up for a challenge

The following would be well regarded:

- ASX listed experience
- Processing of Payroll
- Accounts Payable
- Project Accounting

The Company Offers:

- Wellness and retail discounts
- Carnegie's employee incentive scheme
- A competitive remuneration package will be offered in line with relevant experience and skills
- The chance to work in a rewarding company and be part of developing and demonstrating a world class and world first renewable energy technology

Applications, including covering letter, CV and answers to the application questions below, should be forwarded to careers@carnegiece.com with "Company Accountant" in the subject title. Only shortlisted applicants will be contacted. Confidentiality is assured.

Application Questions
