

**WINE TASTING AT WEDDERBURN – “WEDD’RWINEFEST”
FRIDAY MARCH 10 FROM 7PM TO 10PM
AT THE WEDDERBURN HALL**

The small country town of Wedderburn, about an hour north of Bendigo on the Calder Highway, is hosting its third wine tasting event in three years.

"wedd'rwinefest" is designed to showcase some of the region's wines from areas including Mildura, Marong, Newbridge, Axe Creek and Kingower. Townsfolk and visitors get together to sniff, sip and savour the wines.

Swirl the glass, pick the aromas and colours, and watch the legs dance merrily down the glass walls before you taste.

If you don't drink wine, beer is available, as too are local award winning smallgoods and locally produced relishes.

Vendors goods sampled on the night will be available for purchase.

Have a taste, stock the cellar or just come along for a social night out.

"wedd'rwinefest" was initiated in 2015 by the Wedderburn Development Association, who saw the venture as a way of raising funds for actions in the community plan, to give the adult population of Wedderburn a fun night out, to promote the local/regional produce and to bring visitors into town.

The Association wants the fest to become part of the Wedderburn's annual calendar. To that end, the 2017 "wedd'rwinefest" will take place on the eve of the very successful and popular Minelab Wedderburn Detector Jamboree weekend, organised by Wedderburn Tourism. Now, in addition to the other activities around town on the Jamboree weekend, Jamboree participants can start their weekend with some wine tasting.

"wedd'rwinefest" will take place between 7pm and 10pm on Friday 10 March 2017 at the Wedderburn Hall. Entry is \$20 per person, which gets you into the event with a monogrammed wine tasting glass, allows you free tasting and includes cheese and biscuits during the evening.

Tickets can be purchased at the door or pre-paid by contacting the Association at wdainc1@gmail.com with a contact number and name. Pre-paid helps us with events logistics.

Don't miss out, get the event in your diary and email us for your tickets. Get your own little group together and plan for a fun evening out.
