

Position Description

Position:	Primary Mental Health Practitioner
Location:	North Otago
FTE	0.6 FTE (22.5 hours per week)
Reports To:	Primary Mental Health Team Leader
Responsible For:	Nil

Overview

WellSouth Primary Health Network has responsibility for the provision of primary health services to approximately 300,000 enrolled patients in Otago and Southland, and contracts with Southern DHB and a number of other health funders. WellSouth is constituted as a charitable trust with a Board of 10 Trustees.

WellSouth works with health care clinicians, health care providers, Iwi and local communities to:

- Coordinate the delivery of regionally consistent high value primary care health services care across Otago and Southland that deliver real benefits to patients and the community through a range of evidence based and clinically proven health programmes.
- Improve access to primary health care for the community.
- Encourage people to take responsibility for their own health.

WellSouth has offices in Alexandra, Invercargill and Dunedin.

Position Purpose

The position will work in a collaborative role with all providers including: PNs, GPs, allied health services, communities, community mental health teams, and appropriate secondary specialist health services, including Southern District Health Board mental health services. The position will provide clinical mental health care, including early intervention and case management/coordination of care.

The position will improve health outcomes for individuals, families/whanau and identified communities by working in partnership to inform, support, plan for and implement appropriate primary mental health care changes.
