

WE JUST PROVED
WE'RE STILL #1

ELITE™
LITHIUM

THE CARS

We put ELiTE™ Lithium up against the top competitive cars: Club Car® Tempo Li-Ion and the Yamaha® Drive² AC lead-acid.

THE CHALLENGE

We took them to a course where some of the nation's most demanding golfers play more than 90,000 rounds a year. There, we ran them through a dawn-to-dusk showdown that measured battery performance, efficiency, cost of operation and everything that matters to you most.

THE UNDISPUTED CHAMPION

When the day was done, we proved that only ELiTE could keep up with the pace of play, deliver the lowest cost of operation and give members the performance and experience they deserve. E-Z-GO® ELiTE Lithium is in a class by itself.

ELiTE™ LITHIUM

#1 IN BATTERY PERFORMANCE

After 36 holes, the ELiTE™ Lithium battery not only had more charge remaining, it had the power to play another full round.

15% MORE EFFICIENT THAN CLUB CAR'S LITHIUM BATTERY

E-Z-GO RXV® ELiTE Lithium

44% CHARGE

Yamaha Drive² AC Lead-Acid

40% CHARGE

Club Car Tempo Li-Ion Lithium

34% CHARGE

#1 IN RECHARGING EFFICIENCY

After 54 holes of simulated play, the ELiTE vehicle used less out-of-the-wall energy to get back to 100 percent. And with ELiTE Lithium, you're never forced to wait for a full charge before sending a car back out on the course.

1/2 THE OUT-OF-WALL ENERGY AS LEAD-ACID BATTERIES

E-Z-GO RXV ELiTE Lithium

2.98 kWhr

Club Car Tempo Li-Ion Lithium

3.52 kWhr

Yamaha Drive² AC Lead-Acid

6.23 kWhr

#1 IN ANNUAL COST OF OPERATION

ELiTE Lithium vehicles not only perform better, they cost you less to operate, year after year.

Calculating Annual Energy Cost:

- Based on 55 Cars Per Fleet
- 25,000 Rounds Per Year
- U.S. Average \$0.12 Per kWhr

E-Z-GO RXV ELiTE Lithium

\$3,000

Club Car Tempo Li-Ion Lithium

\$3,500

Yamaha Drive² AC Lead-Acid

\$6,250

15 MILLION

FIELD HOURS OF PROVEN PERFORMANCE

80,000

COURSES

IT'S NO SURPRISE THE ELITE LITHIUM SERIES IS STILL THE INDUSTRY'S BEST GOLF CAR

NO ONE IS SHOCKED ELiTE LITHIUM IS #1

As the first lithium fleet golf cars in the market, we've taken the time to perfect them. They're proven performers with advanced technology unmatched by the competition.

UNPARALLELED EFFICIENCY

Less out-of-the-wall power consumption. Faster charging. Longer-lasting power that keeps cars on the course. And the lowest total cost of ownership. If you're looking for efficiency, the ELiTE Series is in a class by itself.

NO HASSLE, WORRY-FREE, ZERO-MAINTENANCE BATTERY

Choose ELiTE vehicles, and battery maintenance — including terminal post cleaning and watering — is a thing of the past. The ELiTE Series' cutting-edge lithium batteries, activated by Samsung SDI technology, are controlled by an advanced Battery Management System to monitor efficiency, state of charge, temperature and overall battery health.

UNDENIABLY BETTER FOR TURF

At nearly 250 pounds lighter than other electric vehicles, ELiTE golf cars are easier on your fairways and other turf.

5-YEAR UNLIMITED AMP HOUR WARRANTY

E-Z-GO offers the only unlimited amp hour warranty, for guaranteed performance throughout the life of a standard lease.

WHAT THEY'RE SAYING ABOUT ELiTE

“We have seen savings on our electric bills of up to \$2,000 per month, which easily offset the cost to upgrade to RXV ELiTE vehicles. Traditional lead-acid cars struggled to make it to the end of the lease. The technology and benefits of ELiTE vehicles guarantee our cars will last the duration of the lease with no issues.”

PAUL GRILLO

Executive Director, Sterling Farms Golf Course

“Since making the switch (to the RXV ELiTE), we have seen a significant reduction in electricity costs. The reduced maintenance allows us to turn cars quickly, which helps elevate our customer experience.”

BEN BRIDGERS

Director of Golf, Pinehurst Resort

“The energy savings alone outweigh the upfront costs and the durability and longevity of ELiTE vehicles allow us to have total trust in the technology. We're charging cars 50 percent less than we have in the past and we've never had one of our lithium vehicles go out — it's been great.”

MATT HEITMUELLER

Head Golf Professional, Green Island Country Club
