Each Intaglaze/I-Vision Privacy Vision Panel is covered by a Lifetime warranty (as outlined below) and is deemed as being the use-able lifetime of the door that the privacy vision panel is installed in and is ≤ 10 years maximum.

The warranty only covers reasonable use of the privacy vision panel in accordance with the company's specification datasheets and operating and maintenance instructions that are available on request. The warranty does NOT cover any damaged caused by misuse, this also applies to a malfunction of failure of the privacy vision panel that has been caused by poor or incorrect installation. To ensure the validity of the warranty please carry out maintenance in accordance with the maintenance section. We reserve the right to make a call out or appoint our distributor to do so and/or repair charge for any work required to be undertaken to rectify faults that are outside of the company's control i.e. incorrect or poor fitting, misuse, accidental damage.
