

SPECTRA EXAMINATION LIGHTS

PRODUCT BROCHURE

Reliable, Versatile and Cost Saving

Featuring seven LEDs with unique vertically segmented reflectors, the Spectra exam light delivers crisp illumination with reduced shadows. In addition to the brilliant spot, caregivers will enjoy the flexible positioning and drift-free stability- bringing confidence and fewer hassles to any patient exam.

The durable construction and sealed, easy to clean lighthead make the Spectra exam light ready for any healthcare environment. Bring quality illumination to the Emergency, Critical Care, Labour and Delivery, imaging department and more
