

Class of 2014 results

The Scotch community congratulates the graduates of the class of 2014 on their outstanding achievement.

Our open entry and academically inclusive approach has once again enabled our students to gain entry to a range of amazing pathways into the future. Our graduates have made the most of the opportunities on offer and in particular the support and expertise of our teaching staff which translates into quality SACE and ATAR results.

Our highest ranked student Danielle Edwards with a sensational score of 99.85 is set to realise her dream of Engineering at Adelaide University. Danielle is Dux of Sciences with two merits this year in Physics and Mathematical Studies and a Research Project Merit in 2013. Claire Hannon with Merits in Modern History, French, English Studies this year and Research Project in 2013 is our Dux of Humanities. Sophie Woods who attained three Merits in Mathematical Applications, Food and Hospitality and Psychology is our Dux of Combined Studies.

Seven students achieved an ATAR of 99 or above out of a possible 99.95. This places them in the top 1% of the country. Congratulations to Danielle Edwards, Claire Hannon, James Macadam, Sophie Woods, Thomas Aspinall, Hannah Short and Katie Rattigan. They are part of our cohort of 34 students over 90.

Scotch90 Club Students

| | | |
|-------------------|---------------------|--------------------|
| Daisy Anderson | Emily Hammond | Charles Moore |
| Thomas Aspinall | Mike Han | Katie Rattigan |
| Oliver Bevan | Claire Hannon | Madeleine Rock |
| Wesley Butler | Zoe Haralampopoulos | Liam Scott |
| Jordan Carling | Cameron Harper | Henri Sheridan |
| Kate Collins | Emily Harries | Hannah Short |
| Alexander Davey | Dylan Holmes | Bethany Slaughter |
| Danielle Edwards | James Macadam | Nicholas Smoker |
| Natasha El Shafei | Samuel Matthewman | Bethany Stackhouse |
| Thomas Freeman | Charlotte McNeece | Harriet Whittle |
| Elysha Glaser | Louisa-Alice Minor | Sophie Woods |
| | | Jett Zivokic |

We will formally recognise the Merit students, Scotch90 Club and Duces at the Scotch Commencement Chapel Service to be held on Friday 30 January 2015.

Year 12 students who achieved a Merit in 2014

| Name | Award | Merit/s |
|---------------------|-------------------------|---|
| Danielle Edwards | Dux of Sciences | Physics, Mathematical Studies |
| Claire Hannon | Dux of Humanities | Modern History, English Studies, French (Continuers) |
| Sophie Woods | Dux of Combined Studies | Mathematical Applications, Psychology, Food & Hospitality |
| Daisy Anderson | | Drama |
| Thomas Aspinall | | Specialist Mathematics, Physics |
| Kate Collins | | Biology |
| Zoe Haralampopoulos | | Physics |
| Ella Harrison | | Biology |
| Kate Rattigan | | Psychology, Mathematical Applications |
| Hannah Short | | Biology, English Studies |

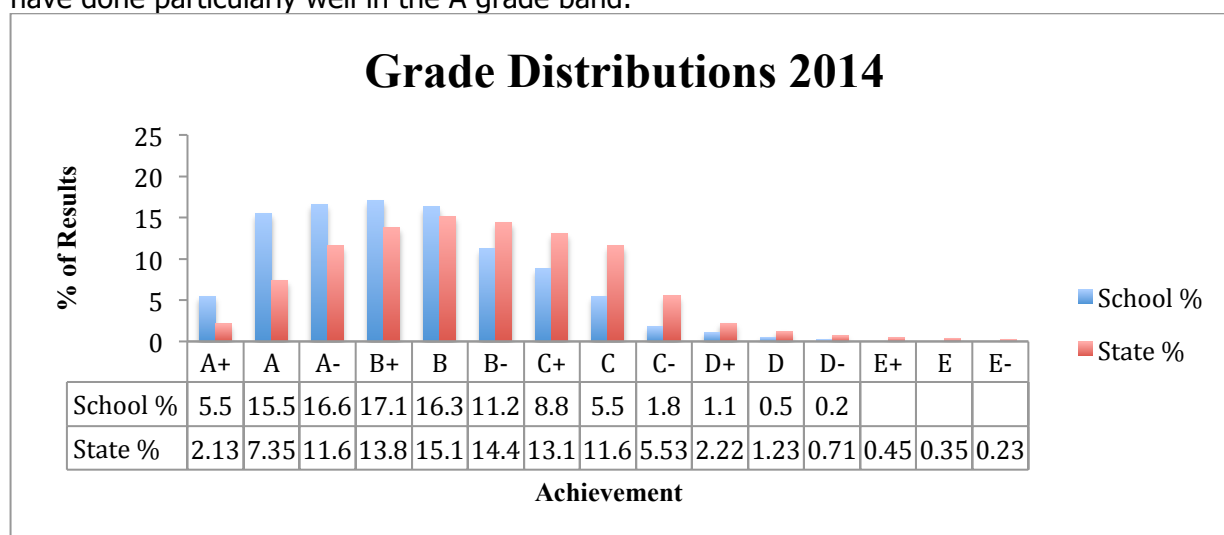

Year 12 students who achieved a Merit in 2013

| | |
|---------------------|------------------|
| Oliver Bevan | Research Project |
| Isabella Domhoff | Research Project |
| Danielle Edwards | Research Project |
| Claire Hannon | Research Project |
| Zoe Haralampopoulos | Research Project |
| Dylan Holmes | Research Project |
| Liam Scott | Research Project |
| Henri Sheridan | Research Project |
| Harriet Whittle | Research Project |

Year 11 students who achieved a Merit in 2014

| | |
|--------------------|---------------------------------------|
| Laura Betts | Research Project |
| Isabelle Blacketer | Biology |
| Ben Clarke | Research Project |
| Ella Oszczypok | Design |
| Jamie Phillips | Research Project |
| Tess Newton | Visual Art – Design, Research Project |
| Grace Roache | Biology, Research Project |
| Rachel Tulla | Research Project |

The following graph compares Scotch College students' with results in the state. As is evident we have done particularly well in the A grade band.

The impressive list below reflects the percentage of students in the A grade band for our diverse subject program

- Biology 50
- Drama 68.4
- English 40.9
- Food and Hospitality 31.3
- Mathematical Studies 42.1
- Modern History 33.3
- Specialist Mathematics 58.4
- Outdoor Education 37.6
- Psychology 39.5
- Physics 47.4
- Visual Art 55

Elysha Glaser successfully completed the Certificate IV in Photo Imaging as a Vocational Education and Training study (equivalent to the highest TAFE qualification on offer). This is a great achievement in the extensions program on offer in a range of subject areas at Scotch.

Year 11

In addition to the fine achievements of the Class of 2014 students there are many other outstanding results for the Class of 2015 – our current Year 11 students.

Congratulations to

- Levi Correll and Will Turner who have completed their SACE Stage 2 this year.
- Research Project 36.6% of our students achieved in the A grade band.
- 61% of Year 11 students studying a Stage 2 subject (excluding the Research Project) were in the A range grade.

This bodes well for next year, which promises to be another solid performance.

These results demonstrate strong value-added performance from one of the countries leading coeducational independent schools. By any measure Scotch is an exceptional academic school. The 2014 results further add to this reputation. Our students will go on to study in South Australia, interstate and around the globe. The SACE affords them this opportunity.

Our students grow into well-rounded citizens of the world through our extensive Service and Co Curricular program. This combined with the results of the curriculum program show a Scotch education is once again realised as great value for life.

We would like to acknowledge the wonderful community partnership we have with great teaching, the hard work of students and commitment of parents to support their sons and daughters to achieve a tremendous life outcome.

Wishing you and yours a peaceful, safe and fun festive season.
