Scotch College Adelaide is a leading South Australian co-educational independent school for students from Early Years to Year 12.

Teachers at Scotch provide the environment, motivation and inspiration for a rich coeducational learning experience. We believe that learning should take place in a caring, compassionate and strengths-conscious setting that fosters a love of learning and self-respect.

3 very rare vacancies have arisen for teachers with high academic and pastoral care standards, to work within our positive and progressive Primary School team in terms 3 and 4 in 2015.
