WHO WE ARE

At The Ark Inc.

At The Ark Inc. is a Queensland-registered charity, founded in 2010 by Simon and Xenia Schembri, born out of their own lived experience and a shared determination to bring hope and healing to families impacted by child sexual abuse. In 2019, our reach grew to include those affected by family and domestic violence – and our mission became even stronger.

We know that silence can keep people trapped in pain, so we are committed to breaking it. We create safe spaces for open conversations about child sexual abuse, domestic violence, and family violence – because we believe healing begins when these issues are brought into the light.

Our services are deeply personal and trauma-informed, offering:

- Professional counselling and pastoral care
- Practical assistance through our Safe Hands Program
- Specialised recovery programs such as PTSD Resurrected's Reboot Trauma Recovery courses
- Our newly launched L.I.F.T (Live In Freedom & Thrive) program, designed to help adults recover and rebuild after abuse

Education is a powerful tool for prevention, which is why one of our cornerstone resources is the Brave Little Bear children's book series, authored by our co-founder, Xenia Schembri. These books use age-appropriate language to help children understand personal safety and equip parents and caregivers to have vital conversations. Our vision is bold – to see these books in every Australian school classroom and community library by 2030.

We also lead key awareness initiatives, including our annual Make A Noise Day on September 5th, during Child Protection Week, shining a light on the issue of child sexual abuse. And each year, our Light Up The Night Gala – our biggest fundraising event – enables us to serve as a beacon of hope, providing the resources and care our community needs.

At The Ark Inc., we don't just offer programs – we walk alongside survivors and their families every step of the way, helping them navigate the path from trauma to triumph. We exist to remind them that even in the darkest night, there is always light.

Simon and Xenia Schembri

"Thank you for your time today, I feel a lot better after speaking with you. It feels like a whole lot of weight has been lifted from me and I can breathe again until the trial".

"Thank you to you and At The Ark for your help. My children and myself feel much safer having the cameras put around our home".

SPONSORSHIP PACKAGES

Introduction

The Annual **Light Up The Night Gala** is **At The Ark's** premier fundraising event – our biggest night of the year to connect with our valued sponsors, supporters, and community. Now celebrating its 8th year, this special evening is more than just a celebration; it's a vital opportunity to raise awareness, inspire advocacy, and secure the essential funds that make our work possible.

Each year, the Gala sets the pace for what we can achieve in the months ahead. The funds raised determine the depth and reach of the services we can provide to children and families in our local community who are impacted by child sexual abuse, family, and domestic violence.

Thanks to the generosity of our sponsors over the past eight years, we have proudly met – and often exceeded – our fundraising goals every single year. This support has enabled us to:

- Assist over 180 families
- Positively impact more than 600 individuals
- Provide 750+ counselling sessions annually

This year, our goal is to raise **\$75,000** – a target that will allow us to maintain this level of care and continue offering hope, healing, and practical support to those who need it most.

Your partnership can make this possible.

How Your Sponsorship Creates Lasting Change

Direct Support

Your sponsorship directly funds life-changing services for survivors of child sexual abuse and family & domestic violence. This includes professional counselling, legal support, and vital education programs covering child safety and protection. We also deliver tailored training to schools, faith-based organisations, and community groups committed to child protection and family recovery.

Awareness & Advocacy

Partnering with us means your brand will stand alongside a cause that matters. Your business profile will be showcased throughout our Gala, reaching an engaged audience of community leaders, decision-makers, influencers, and media – amplifying your commitment to social responsibility.

Long-Term Impact

Your investment goes beyond a single night – it helps break the cycle of violence, restores dignity and hope to survivors, and builds stronger, safer communities for generations to come. Together, we can create a future where every child and family can live free from abuse.

In Recognition of Your Support

In appreciation for your financial contribution, we offer:

- **Prominent Recognition** – Your brand featured across event promotions, including social media campaigns, press releases, and printed materials.
- **High-Impact Visibility** – Brand exposure through event signage, banners, and multimedia presentations throughout the Gala.
- **Exclusive Access** – VIP tickets and special networking opportunities with key stakeholders, community leaders, and influencers.

Your partnership is more than sponsorship – it's a bold statement of solidarity with survivors and a reflection of your organisation's commitment to making a lasting difference.

SPONSOR TESTIMONIALS

NAMING RIGHTS SPONSOR: 2023-24-25

Network of Caring has supported At The Ark for more than 12 years, and have always chosen to be the primary sponsor of the Light Up The Night Gala. We strongly support the activities of ATA to serve the survivors of child sexual abuse, and families of domestic violence. These activities are at the heart of the donors of NOC which reflect much the same ideals displayed by Simon and Xenia Schembri.

Ian Abbott - CEO Network of Caring Australia

COSMETIC & LASER CLINIC

GOLD SPONSOR: 2024-25

It has been an honour for Dr. Anwar and myself to sponsor the At The Ark charity gala over the past two years. We began as Silver Sponsors and, after such a rewarding experience, proudly increased our support to Gold Sponsors in our second year.

At The Ark, led by Simon and Xenia, provides vital support to families and children impacted by child abuse and domestic violence. Witnessing the community come together at the gala to raise essential funds for this life-changing work has been truly inspiring.

We are committed to standing alongside Simon, Xenia, and At The Ark for many years to come and encourage other businesses to join this important mission. Together, we can ensure more families receive the support they deserve.

SILVER SPONSOR: 2024-25

At Station Street Agency, we've sponsored At The Ark's Gala two years in a row, and it's one of the easiest decisions we make each year. Their mission to protect and support families aligns perfectly with our own ethos of putting people first. Sponsorship with At The Ark isn't just a logo on a banner, it's being part of something bigger, something that genuinely changes lives. If you're a business looking for a cause worth standing behind, At The Ark is it.

– Gemma Blessman, Head Of Operations and Marketing

GOLD SPONSOR: 2025

At Pesthouse, we're all about protecting homes, so supporting At The Ark's Gala was a natural fit. While we safeguard families from pests and mould, At The Ark safeguards families from something far more devastating. Being a sponsor gave us the chance to stand behind a mission that truly matters. We are a family run business, and in recognition of the devastating effects of domestic violence and child sexual abuse it was a no brainer to partner with a charity that makes such a pivotal educational and preventative impact for future generations. We'd encourage other businesses to get involved and we will continue to be a proud sponsor and partner of At The Ark for the foreseeable future.

– Gemma Blessman, Head Of Operations and Marketing

GOLD SPONSOR: 2024-25

2024 was my first year supporting At The Ark, and what an incredible organisation it is, led by such genuine people. Having personally experienced the kind of trauma the foundation addresses, I understand how difficult it can be to talk about. Simon and Xenia have devoted their lives to not only raising awareness but also making real change by hosting remarkable Galas and raising crucial funds to help as many people as possible. My companies and I proudly supported their event this year, and we will continue to stand by them, both financially and in person, for many years to come. Well done to both of you—you are true inspirations to us all."
