Participant information

We are looking for EOI's for people to share their ideas about improvements to the existing MAAC facilities, with a focus on the up and coming replacement project for the Olympic Pool. These ideas will be incorporated into the MAAC Masterplan and provided to MPSC.

The aim of this forum is to allow key stakeholders to be represented to have their say in providing feedback to MPSC as to what they would like to see included in the replacement of the MAAC Olympic Pool. While the focus is on the Olympic Pool discussion may include the Artesian experience, leisure pools and amenities.

The Forum will cover:

- **Core needs / priorities / features**
- **Desirable facilities / features**
- **Specific Olympic Pool design elements**

This will be a select group of people that represents the current and potential users of the MAAC Pool facilities. Numbers will be limited for this forum and we ask that you complete the brief EOI form and returned to MAAC by the 9am Wednesday 15th July for a 6pm Thursday 16th July 2020 session.

Forms can be submitted via email to emma@maacltd.com or delivered in person to the MAAC between 6 -10am and 4 – 7pm in an envelope marked attention of Emma Brazel.

Suitable applicant will be notified by email after 3pm on Wednesday the 15th July and advised of the location.
