2020 Stage 2 SACE Results Release

We congratulate all our Year 12 students on their achievement of completing their final year of schooling, particularly in a challenging year. They have continuously demonstrated persistence, resilience and optimism and their results are simply breathtaking. To the young men of 2020, we are immensely proud of all that you have achieved. Thank you to the teachers who have demonstrated outstanding flexibility, creativity and ongoing commitment to ensure the learning continued with unwavering support. This year has exemplified the importance of community, and our theme for 2020, **camaraderie**. There are many individual success stories that we will no doubt share when we return in 2021.

It has been very encouraging to note that 12% of the eligible cohort achieved an ATAR score above 95. 22 students received an ATAR score of 90 or more - that's 24% of the eligible Year 12 cohort (cf. 23.1% in 2019 and 26% in 2018). This is an outstanding achievement and offers great confidence to those in lower year levels who aspire to such academic excellence. Furthermore, 47% achieved an ATAR above 80. (cf. 45.2% in 2019 and 41% in 2018).

100% of all subject scores were either **A, B or C** (cf. 99.7 in 2019 & 2018, 98.6% in 2017 and 97% in 2016). The number of **'A' grades – 39%** (cf. 38% in 2019, 34% in 2018, 32.4% in 2017 and 30.7% in 2016). This is excellent and underlines the good work of staff in encouraging students to do their best. 78% of all grades were in the A or B band which is well above the State average as can be seen on the graph below.

Congratulations to Dux for 2020 **Giovanni Elias** (99.9) and our Proxime Accessit **Thomas Hill** (99.8).

A total of **29 Merits** were attained (cf. 31 in 2019, 26 in 2018, 18 in 2017 and 15 in 2016). An **additional 26 A+** were attained (without Merit) – again an exceptional result.

Finally, our **SACE Completion** for this year's cohort was **100% for the fourth year in a row**.

Congratulations to all involved with the Class of 2020. Well done to all!

Have a great Christmas break and enjoy the holidays.

God Bless,
Nicole Laube and Kerry Hodkinson

This report provides a grade distribution for the school and State, calculated using the grades of all enrolments that were awarded a result in all graded subjects, for the current year. The grade distribution is represented in this report as a bar chart.
