# # LIGHTENTHELOAD

And help Vinnies SA address poverty and disadvantage in SA.

- Is it time to declutter your wardrobe?
- Outgrown your clothes but they're still in excellent condition?
- Holding onto any Christmas/Birthday gifts you've never opened?

By donating your pre-loved items to Vinnies they will get a new life, support Australians doing it tough and reduce landfill and the impact on the environment.

## What can you donate?

Men's, women's and children's clothing and accessories, Homewares, Kids toys, Books, Games, CDs and DVDs

## These items need to be in good shape

A general rule of thumb is that if you'd give it to a friend, then it's ok to give to Vinnies.

Vinnies Stores generate around \$8 million nationally which enables them to do some great work in the community. Government funding has also been slashed – so our support now is needed more than ever!
