2024 Fees for Day and Boarding Students

Rostrevor College continues to offer an affordable Catholic education in the Edmund Rice Tradition for day and boarding students. In 2024, with the support of the College Advisory Council and Edmund Rice Education Australia, the College has determined the annual Tuition and Boarding Fees will be as detailed below. In determining the 2024 fees we have been mindful of keeping any necessary increases to a minimum. For Year 12 students our Tuition Fee now fully incorporates the Principals Ball, Graduation Dinner, and Year 12 varsity jacket student costs to enable all students to participate equitably.

	Tuition Fee	Boarding Fee (additional to Tuition)
Reception	\$6,295	N/A
Year 1 to 2	\$6,420	N/A
Year 3 to 4	\$7,590	N/A
Year 5 to 6	\$8,820	N/A
Year 7 to 8	\$10,500	\$20,425
Year 9	\$13,220	\$20,425
Year 10 to 11	\$14,245	\$20,425
Year 12	\$14,830	\$20,425

Boarding enrolments and re-enrolments, including Boarding Fees, are based on a full-year attendance in Duggan House unless otherwise negotiated. Boarding enrolments will automatically renew for the following year unless notice in writing is provided to the Principal by no later than the first day of Term 4 of the preceding year.

The only additional costs charged to an account will relate to some specific programs. Please see **Other Charges** for further information.

Outstanding Fees

Overdue accounts cause great difficulty for the College in meeting its financial obligations. Parents/caregivers experiencing difficulties in meeting fee payments are urged to contact the Business Manager to discuss alternative payment arrangements as soon as possible.

The College reserves the right, at its discretion, to:

- charge a late payment fee where an account is in default;
- engage debt recovery consultants to recover fees not paid, where all expenses relating to such recovery will become payable by the parents/caregivers.
- commence legal action for the recovery of fees not paid including placement of a charge over property to secure the debt. All legal costs will become payable by the parents/caregivers.

Locker Locks

The College provides combination locks for student lockers for students from Years 6 – 12. Locks will be distributed to new students at the commencement of the school year, with pre-assigned combination codes. Students will retain the locks for their period of education at the College. A master key will be held to unlock the locks should a student forget their combination code, or if for some reason the lock needs to be removed. If a replacement lock is required a \$10 fee will apply payable on collection.

Other Charges

Other charges may apply if students participate in voluntary programs such as Music, Sacramental, VET, interstate/overseas tours, Outdoor Education etc. These costs will be advised to parents/caregivers at the time they occur. Where the costs are part of course curriculum, the amount charged will be invoiced to the parents/caregivers accounts during each semester, as appropriate. These amounts will be added to balances due and will be payable within 30 days of invoicing or by other agreed arrangements. Where the program is not part of course curriculum, the amount will be charged separately and will not be added to the parents/caregivers fee account, except by special arrangement.

Students will not be eligible to participate in optional tours and excursions unless all fees are up to date as per the chosen fee payment option or there is an agreed fee payment arrangement in place which is being adhered to.

Rostrevor College Foundation (Tax Deductible)

The Rostrevor College Foundation was established in 1987 for the purpose of raising money for capital development at the College and has helped finance many new buildings and refurbishments. The Rostrevor College Foundation has recently contributed towards the refurbishment of the Boarding House. This is an example of the value of contributions to the Foundation Building Fund which directly enhance the learning experiences for current and future students.

In addition, the Foundation supports scholarships for students to assist parents/caregivers in providing a Rostrevor education for their sons.

Please note, to maintain the contribution as a tax-deductible contribution, the expected contribution to the Foundation is not included within the College fees and is paid separately, directly to the Foundation.

Edmund Rice Foundation Australia

The Edmund Rice Foundation Australia supports the work of the Christian Brothers throughout disadvantaged communities in Australia and overseas. Parents/caregivers are provided the opportunity to contribute \$60/annum towards this cause, identified on the annual notification as an Opt-out contribution to the Edmund Rice Foundation. We encourage all parents/caregivers to consider making this valuable contribution.

Parents/caregivers who choose not to contribute to the Edmund Rice Foundation must elect to Opt-out by choosing this option when selecting their fee payment option. Parents/caregivers who **do not** elect to Opt-out will be invoiced for the contribution of \$60/annum. As part of the fees invoice, the contribution will not be tax deductible. Parents/caregivers may still choose to make a voluntary contribution to the Edmund Rice Foundation. Please contact the Finance Office for more information.

Rostrevor Old Collegians

The Rostrevor Old Collegians Association (ROCA) exists to provide fellowship to former students and to support the College, especially in the provision of scholarships which are offered to the sons or grandsons of Old Collegians who may not otherwise be able to afford a Rostrevor education.

Each year the graduating Year 12 students are invited to secure a lifetime membership with ROCA, ensuring they retain a lifelong connection to the Rostrevor Community. The lifetime membership fee is currently \$350, affording your son regular contact from the extensive ROCA network, including notification of reunions and significant College and ROCA events, as well as the biannual Rostrevor magazine. Proceeds from these lifetime memberships go towards funding the ROCA Scholarship program.

Parents/caregivers who choose not to take up the membership must elect to Opt-out by choosing this option when selecting their fee payment option.

If you require more information, please contact the College Development Office on 8364 8200 or development@rostrevor.sa.edu.au.

Enrolment Deposit

To accept a place at Rostrevor, a deposit of \$500 is payable on receipt of an offer of a place at the College. The deposit will be credited against the commencing year's Tuition Fees. Should parents/caregivers wish to withdraw the student's enrolment, the Enrolment Deposit will be refunded less an Administration Fee of \$300 if notification is received in writing more than two terms prior to the commencement date. If notification is received within two terms of the commencement date, no refund will be made.

Withdrawal of a Student from the College and/or Boarding

Parents/caregivers acknowledge that the College will make resourcing and planning decisions and allocate personnel and other resources on the assumption of:

- a. the enrolment of the student with the College; and
- b. if applicable, the enrolment of the student in the Boarding House;

such that the College will suffer loss in the event that the student's enrolment(s) is terminated without sufficient written notice being provided to the College. In particular, the College makes a commitment in regard to boarding staff and utilisation of facilities at the Boarding House for the full school year.

One term's written notice is required when withdrawing the student from either:

- a. the College; or
- b. Boarding (including when the student remains enrolled in the College but transitions to becoming a day student).

Notice of withdrawal of a student must be provided in writing to the Principal and is required to be provided by all parents that signed the Enrolment Agreement. Verbal notification or notification to a staff member other than the Principal, is not considered due notice.

Failure to provide the required notice referred to above, in respect of withdrawals from the College, will result in parents remaining liable to pay the following term's full tuition fees, unless otherwise negotiated with the Principal or Business Manager.

Failure to provide the required notice referred to above, in respect of withdrawals from the Boarding House (including both when a student is being withdrawn from the College entirely, or transferring to become a day student), will result in parents remaining liable to pay the following two full terms' boarding fees, unless otherwise negotiated with the Principal or Business Manager. A partial reduction for reduced catering charges may be provided, dependent upon the notice period provided to the College of the withdrawal from Duggan House.

In circumstances where a student is being withdrawn from both the College and Boarding House, and insufficient notice is provided, parents will remain liable to pay both the following full term's tuition fees and the following two full terms' boarding fees, unless otherwise negotiated with the Principal or Business Manager.

Insurance

The College has in place a limited personal accident and disability insurance policy to cover all students. It excludes all Medicare services including the Medicare Gap. Copies of the insurance policy are available from the Business Manager. Parents are advised to check their Health and General Insurance policies to ensure adequate medical, personal property and liability insurance cover. The College does not accept responsibility for any claim to property loss or damage incurred by students or parents.
