

Rostrevor College Co-Curricular Program

Winter Season 2023

Introduction

Rostrevor College provides a holistic education that aims to allow young boys to flourish in all dimensions of their lives. We do this through the recognition that boys must engage in opportunities that use their *hearts*, their *heads* and their *hands*.

Thus, the College has built its education on the four Pillars of: *Spirituality, Academic, Co-Curricular* and *Student Wellbeing*.

Code of Behaviour for Participants (as per the Student Planner)

- Engage within the rules.
- Never argue with an official. If you disagree, have your captain, coach, manager or appropriate individual approach the official during a break or after the competition.
- Control your temper. Verbal abuse of officials, sledging other students or deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in any activity.
- Work equally hard for yourself and/or your team. Overall performance will benefit, and so will you.
- Demonstrate outstanding levels of respect and sportsmanship. Applaud all positive outcomes whether they are made by you, your team or opposing students.
- Treat all participants in your activity as you like to be treated. Do not bully, belittle, degrade or take unfair advantage of another competitor.
- Co-operate with your coach, staff member, team-mates and opponents. Without them, there would be no competition.
- Participate for your own enjoyment and benefit, not just to please your parents and coaches.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background or religion.

All breaches of the above Code of Behaviour will be dealt with in accordance with the behaviour expectations of the school, having considered the guidelines followed by relevant sports associations and in consultation with the Director of Co-Curricular Programs and Deputy Principal – Dean of Students.
