Dear friends of Rostrevor College,

**Rostrevor College Principal Appointment  
Community Consultation Invitation**

I wish to invite you to participate in a Community Consultation process to assist Edmund Rice Education Australia in its endeavour to appoint the next principal of Rostrevor College.

In gathering information about the leadership required to meet the needs of the College as it considers a new Principal you are asked to respond to the following three questions. We welcome your input in either or both of the following ways.

Community Survey

1. What would you like to see achieved at the College over the coming five years?
2. What personal and professional qualities do you believe are essential in bringing this vision to life?
3. What do you see as the key challenges and opportunities that the College will encounter in the coming five years?

Community Conversations

I am also pleased to invite interested parents and members of the extended Rostrevor community to join Mr Mark Battistella, CESA Consultant attached to Rostrevor College, for an informal discussion about this important appointment. Meeting times and venue are included below. While I look forward to introducing you to Mark, I will not be part of these discussions on the day.

Please submit your responses to the questions above by completing the online survey which can be accessed by clicking on the [link](#) by 4pm Monday 21 August.

Please note: all responses will remain strictly anonymous. If you have any further questions about the recruitment process, please contact me by email at the following address [brian.schumacher@erea.edu.au](mailto:brian.schumacher@erea.edu.au)

Thank you again for your assistance and ongoing support for Rostrevor College.

With my best wishes

**Brian Schumacher**  
Regional Director, Central Western

## **EREA Principal Appointment Rostrevor College**

### **Community Consultation**

**Thursday 5 August 2021**

In addition to the Community Survey, it is important that members of the community have the chance to meet with the Regional Director from EREA to discuss their hopes regarding the appointment of the next Principal for Rostrevor College. The meetings provide us with the opportunity to clarify any feedback from the community surveys.

As most will know, Brian Schumacher has only recently left Rostrevor to take up the position of Regional Director - Central Western. Therefore, we are grateful that Mr Mark Battistella, School Performance Leader – CESA has accepted our invitation to lead the community consultation discussions. Mark is very familiar with Rostrevor and has provided consultancy support for the college in 2021.

All consultation meetings will be hosted in the College Board Room, Ground Floor Rostrevor House
