8. Homan
9. Laas
10. Vaughan
11. Taheny
12. Brasher

A fantastic result and one which came off the back of an improved performance with the ball. Luke Homan again impressed and as did Sam Rahaley. Both of these boys were the pick of the bowlers. In the field, we supported the bowlers and Jake Slivak and Tom Laas, playing only his second game both took excellent catches. Rahaley also inflicted an excellent direct-hit run out.

In reply, Slivak and Rahaley batted beautifully. They put on 117 for the opening wicket and only just missed out on chasing Sacred Heart's total for no loss of wicket. Slivak made 59 off 57 balls and Rahaley 49no from 48 balls. A very pleasing result.

Rostrevor First XI Report – Week 2 vs. Sacred Heart College

Rostrevor 111 all out defeated by Sacred Heart College 5/240

A disappointing result on the day in which 3 players made their debuts. Tom Laas, Jed Burton and Kye Butler. Congratulations to these boys in becoming the 712th, 713th and 714th players respectively to represent Rostrevor College at First XI level.

After losing the toss and bowling first, our openers just couldn't find any consistent rhythm and too often loose balls were bowled which the Sacred Heart batsmen punished. Regan Taheny picked up 2 wickets and captain Cooper Llewelyn bowled economically, but it was slim pickings after that.

In reply, we lost some early wickets and never fully recovered. Hugh Jackson was excellent in the middle order and finished with 49no as we were bowled out for 111. Full credit to Sacred Heart for the way they played the game. The challenge for us as a team is to improve quickly and use training as an opportunity to work on the key areas.

Rostrevor 9A Report – Week 2 vs. Sacred Heart College

Rostrevor 7/134 defeated Sacred Heart 3/131

Written by Craig Myall

Captain Alex Pertl won the toss and elected to bowl. Bowling and fielding was very good early restricting Sacred Heart to 2/60 after 15 of the allotted 25 overs. Unfortunately, we dropped a number of catches and strayed down the leg side in the last 10 overs allowing the opposition to amass 131 runs assisted by 17 wides. Pick of the bowlers were Harvey Wilson (4 overs 1/13), Will Anning (4 overs 2/20), Charlie Crafter (2 overs 0/6) and Josh Mothersole (2 overs 0/2).

Our run chase began well with both openers Alex Pertl (24) and Henry Brand (22) getting starts. At 5/94 after 21 overs, Harvey Wilson was elevated up the order to look for some quick runs, and he blasted 19 off 9 balls including 3 boundaries. His partnership with Henry Myall (32 off 39 balls), got the team to within sight of victory when Aspen Davis, playing his first game of 9As this year, scored a boundary with two balls to spare ensuring the win.

It was a great result for the boys and gives us plenty to work on this week leading up to our two day game with Pulteney Grammar.
