

23 August 2021

Dear Parent(s)/Caregiver(s)

**School Photography 2021 – Class, Individual, Sport & Packages**

Each year the College arranges professional photographers to take individual, class and sporting team photographs which are then made available to families for purchase. This also provides the College with an opportunity to document College history by including the photographs in the College Annual and other records.

School photography for 2021 will be conducted on the following dates:

**Junior Years: Tuesday 31 August**  
**Middle and Senior Years: Wednesday 1 September**

**Students will be expected to wear their full winter uniforms for all photographs, including sports teams**, except for the First teams mentioned below who are required to wear the co-curricular uniform relevant to their sport code, ie:

- First XVIII Football – football strip, shorts, socks, playing boots
- First XI Cricket – cricket whites with Rostrevor blazer, white socks, cricket shoes
- First XI Soccer – soccer strip, shorts, socks, playing boots
- Open A Basketball – basketball singlet, shorts, sports socks
- Open A Tennis – tennis polo, shorts, sports socks

Weather permitting, all photographs will be taken on the front lawns of Rostrevor House. A photograph schedule has been distributed to teachers who will assist with coordinating the day's schedule. Please note the schedule is subject to change.

**All students must be:**

- Correctly, neatly and fully dressed in their winter uniform;
- Groomed as per College expectations;
- Lined up and ready 5 minutes before the scheduled time.

*Students who are not correctly attired, will not be permitted to have their photo taken.*

Please refer to the details over the page for ordering College photographs.
