Rostrevor 10A Cricket Report – Week 4 vs St Peter's 1 Day Game Saturday 20th March 2021

St Peter's 2/124 def Rostrevor 6/96
Written by Craig Myall

Best Players

- 1) Alex Pertl
- 2) Harvey Wilson

Rostrevor won the toss and elected to bowl.

The opening attack of Mothersole and Wilson was on target early, troubling the St Peter's batsmen with their line and length. When Wilson removed Nitschke for 3 in the 3rd over with the score on 4, Rostrevor was on top and an opportunity to get into the top order was certainly there.

Unfortunately from there, some near misses and dropped catches allowed the Saints to gain the ascendancy and when they lost their 2nd wicket with the score on 61 after 14 overs, Saints had created a good platform to build a large total. Grace rode his luck to an unbeaten 77 and after 25 overs St Peter's had amassed a score of 124. Wilson 1/31 from 6 overs and Myall 1/25 from 4 overs were the wicket takers, whilst Mothersole bowled well, without luck (0/19 from 4 overs), as did Polkinghorne.

In reply, Rostrevor began well chasing 125 for victory with Polkinghorne batting aggressively in the initial overs. When Brand departed for 2 with the score on 14 (in the 5th over), followed by Myall for 8 and Polkinghorne for 13, the task of victory became harder at 3/29. Pertl 34 from 37 balls, and Haddad 15 from 38 (retired), settled the middle order with a 53-run partnership ensuring a competitive score would be achieved. However, when Kothari and Davis lost their wickets late in the innings, a score of 96 in reply was all that we could muster.

We will need an improved effort this week when we face Sacred Heart at home for our last game of the term to ensure a victory over our archrivals after taking the win on their turf back in February.
