

Rostrevor Old Collegians

The Rostrevor Old Collegians Association (ROCA) exists to provide fellowship to former students and to support the College, especially in the provision of scholarships which are offered to the sons or grandsons of Old Collegians who may not otherwise be able to afford a Rostrevor education.

Each year the graduating Yr. 12 students are invited to secure a lifetime membership with ROCA, ensuring they retain a lifelong connection to the Rostrevor Community. The lifetime membership fee is currently \$350, affording your son regular contact from the extensive ROCA network, including notification of reunions and significant College and ROCA events, as well as the biannual Rostrevor magazine. Proceeds from these lifetime memberships go towards funding the ROCA Scholarship program.

Families who choose not to take up the membership must elect to Opt-out by choosing this option when selecting their fee payment options.

If you require more information, please contact the College Development Office on 8364 8200 or development@rostrevor.sa.edu.au

A partial reduction for reduced catering charges may be provided, dependent upon the notice period provided to the College of the withdrawal from Duggan House.

The only additional costs charged to an account will relate to some specific programs. Please see **Other Charges** for further information.

Outstanding Fees

Overdue accounts cause great difficulty for the College in meeting its financial obligations. Families experiencing difficulties in meeting fee payments are urged to contact the Business Manager to discuss alternative payment arrangements as soon as possible.

The College reserves the right, at its discretion, to:

- charge a late payment fee where an account is in default;
- commence legal action for the recovery of fees not paid including placement of a charge over property to secure the debt. All legal costs will become payable by the parents/caregivers;
- refuse re-enrolment if fees are overdue.

Locker Locks

The College provides combination locks for student lockers for students from Yrs. 6 – 12. Locks will be distributed to new students at the commencement of the school year, with pre-assigned combination codes. Students will retain the locks for their period of education at the College. A master key will be held to unlock the locks should a student forget their combination code, or if for some reason the lock need to be removed. Each student will be required to pay a \$10 deposit for the lock provided which will be fully refundable on return of the lock, in appropriate condition for re-use. The \$10 deposit will be included on the family account for new students.

Other Charges

The College provides an outstanding opportunity for Year 6 students to travel to Canberra for a cultural and historical excursion to our National capital. Families of Yr. 6 students will be invoiced a sum of \$300 as contribution to the cost of this excursion. If there are difficulties in meeting this payment, please do not hesitate to contact the Director of Junior Campus or Business Manager to discuss your concerns.

Other charges may apply if students participate in voluntary programs such as Music, Sacramental, VET, interstate/overseas tours, Outdoor Education etc. These costs will be advised to parents at the same time in which they occur. Where the costs are part of course curriculum,

the amount charged will be invoiced to family accounts during each semester, as appropriate. These amounts will be added to balances due and will be payable within 30 days of invoicing or by other agreed arrangements. Where the program is not part of course curriculum, the amount will be charged separately and will not be added to the family fee account, except by special arrangement.

Students will not be eligible to participate in optional tours and excursions unless all fees are up to date as per the chosen fee payment option or there is an agreed fee payment arrangement in place which is being adhered to.

Rostrevor College Foundation (Tax Deductible)

The Rostrevor College Foundation was established in 1987 for the purpose of raising money for capital development at the College and has helped finance many new buildings and refurbishments. The recently refurbished classrooms and learning facilities, completing Stage 1 of the Master Building Plan, are examples of the value of contributions to the Foundation Building Fund, to enhance learning experiences for current and future students.

In addition, the Foundation supports scholarships for students to assist families in providing a Rostrevor Education for their sons.

There is an expectation that families voluntarily donate \$500/annum, per family, while their son/s attends the College. If you require more information, please contact the College on 8364 8200.

Please note, to maintain the contribution as a tax-deductible contribution, the expected contribution to the Foundation is not included within the College fees and charges and is paid separately, directly to the Foundation.

Payment may be made by direct EFT payment as follows:

	BUILDING FUND Contribution:	SCHOLARSHIP FUND Contribution
Bank	Commonwealth	Commonwealth
BSB	065-000	065-000
Account	12008190	12028343

Edmund Rice Foundation Australia

The Edmund Rice Foundation Australia supports the work of the Christian Brothers throughout disadvantaged communities in Australia and overseas. Families are provided the opportunity to contribute \$60/annum towards this cause, identified on the annual notification as an Opt-out contribution to the Edmund Rice Foundation. We encourage all families to consider making this valuable contribution.

Families who choose not to contribute to the Edmund Rice Foundation must elect to Opt-out by choosing this option when selecting their fee payment option. Families who **do not** elect to Opt-out will be invoiced for the Contribution of \$60/annum. The Contribution as part of the fees invoices will not be tax deductible. Families may still choose to make a voluntary contribution to the Edmund Rice Foundation. Please contact the Finance Office for more information.
