

# New Staff Introductions

## **Stefan Andrews**

Stefan Andrews came to teaching after a career in Marine Biology. He is a passionate scuba diver and underwater videographer and has worked on a number of natural history productions including BBC's Blue Planet II. Stefan has a strong interest in animal behaviour, marine ecology and conservation and enjoys incorporating all things ocean into his teaching of Biology and Science. He has experience working in the UK teaching secondary science and in recent years has also been developing educational materials and videos with a focus on Australia's kelp forest ecosystems.

## **Rosemarie Cavaleri**

Rosie is excited to bring her Italian background and knowledge of the culture and language into the classroom to create fun and engaging lessons for the Junior Years. She aims to create memorable experiences and may even do so by incorporating her love of cooking and desserts into her lessons (if you're lucky). She is very happy to be part of the Rostrevor community and will make the most of her time here.

## **Ellen Daniels**

Since graduating in 2015, Ellen has worked at a number of schools across South Australia. She has been teaching young boys in the Catholic Education sector for the past 2 years. Ellen was recently married to an Aerospace Engineer and they have bought a house together. In her spare time, she loves to play the flute and have a game of golf with her dad. Ellen is looking forward to getting to know her Year 3 boys and their families and be part of the Rostrevor Community.

## **Sharyn Darrell**

Sharyn has been an educational leader in a diverse range of settings and her early leadership roles included a focus on wellbeing as a Counsellor and a focus on teaching and learning as a curriculum coordinator. Having had time to learn from these roles, Sharyn was able to connect these experiences to lead schools as both a Principal and Deputy Principal. Sharyn comes to Rostrevor from Westminster where she was Deputy of the Primary School. She is passionate, not only about student learning but her own learning and in February will complete a Master of Educational Leadership which has enabled her to stay up to date with recent research and apply this to her leadership.

As a parent of two primary school aged children (a son and a daughter), Sharyn recognises the important foundations that a Primary education provides to develop students as confident, independent learners. Sharyn will be Assistant Principal – Learning and Wellbeing (Junior Years).

## **Katherine Kitto**

Katherine is joining us in the Science and Maths faculties for Semester 1, teaching Year 11 biology, Year 11 essential Maths and Years 8 & 9 Science. She has recently moved back to the Adelaide after spending three years on the Eyre Peninsula teaching Science and Maths at Miltaburra Area School. She enjoys getting involved in sport, outdoor activities, camping and spending time at the beach on and off the water.

# New Staff Introductions

## **Julie Maggs**

Graduating in 2017, Julia moved to London where she taught in schools with students from very diverse backgrounds. When she wasn't teaching she travelled around Europe. Moving back to Adelaide in 2019 and has since joined an AFL 9s team. She is extremely excited to be part of the Rostrevor community and will be teaching in the Junior School.

## **Emily Norris**

Emily began as a Rostrevor teacher in 2018. In 2020 she worked at Sacred Heart College while also completing her Masters in Education through Edith Cowan University, Perth and is looking forward to attending her Graduation Ceremony in Perth - COVID restrictions permitting! Emily has recently adopted an ex-Guide Dog puppy who loves going for walks and has a new-found love for running along the beach. Emily is looking forward to being back at Rostrevor this year and will be teaching in the middle and Senior Schools.

## **Claire Parker**

Claire is teaching History and English this term and is passionate about Australian history and literature. She loves travelling, getting outside amongst nature and taking lots of photos! Last year she taught at Plympton International College and is looking forward to teaching at Rostrevor and getting to know all the wonderful students here.

## **Victoria Romeo**

Since graduating as a Primary Teacher in 2011, Victoria Romeo has worked within the Catholic Education sector and joins us from the EREA Community of St Paul's College. She has taught in the Early Years for 10 years and this year she will be teaching Year 1 at Rostrevor. Victoria has a puppy called Milo and her recent claim to fame is featuring in SA Health COVID commercials. Victoria looks forward to joining the Rostrevor community.

## **Mark Simpson**

I am a proud old Scholar of Rostrevor and previous staff member. I am looking forward to returning to the school and contributing my learning from a range of leadership and teaching positions most recently as Principal of Trinity College South for the past ten years. I am looking forward to working with the Rostrevor community this year.

## **Olivia Taheny**

Olivia will be teaching Year 12 General Mathematics and Year 11 Specialist Mathematics and comes to us with many years of experience. She has also had the privilege of teaching overseas in both New Zealand and England. Olivia grew up on a farm on the Southern Yorke Peninsula, and loves to visit her parents and old school friends there. She is married to a Kiwi and, together with their 3 children and they take every opportunity to go camping.
