STEM and Science and Technology Scholarship details

Science and Technology Scholarships are offered to students with an aptitude for Science, Technology and/or Mathematics.

Students are required to provide evidence of exceptional aptitude.

Science and Technology Scholarships may be up to 50% of the tuition fee and is usually a small partial scholarship. They are awarded on merit and at the discretion of the Scholarship Committee.

This Scholarship is subject to an annual review of the quality of performance in the student's area of expertise (Science, Technology and/or Mathematics) as well as the general educational and personal excellence and participation in College life. The annual review is conducted by member/s of the Scholarship Committee.

Recipients of Science and Technology Scholarships at Rostrevor College are also required to meet all other charges related to a student's education at the College. They include the balance of tuition fees, resource fee, building maintenance fund, stationery, uniforms (including uniforms for sport) and the additional costs if the recipient chooses to participate in optional activities such as interstate sporting trips and music tuition.

Students accepting Science and Technology Scholarships are required to meet the other enrolment criteria of the College with regard to philosophical and religious disposition.

Further information regarding the College Scholarship and Bursary program can be obtained from the Enrolment Office by phoning 08 8364 8244 or email: enrolments@rostrevor.sa.edu.au.
