Reception to Year 12

2021 Stage 2 SACE Results Release

We congratulate all our Year 12 students on their achievement of completing their final year of schooling, particularly in a challenging year. The young men of Rostrevor have demonstrated persistence, resilience and optimism and their results are outstanding. This has all been achieved in a year where there were constant doubts as to when or if we would need to revert to online lessons. To the young men of 2021, we are in awe of all that you have achieved and your ongoing commitment to enjoy the wide range of learning experiences in spiritual, social, emotional and academic domains. Thank you to the teachers who have demonstrated outstanding flexibility, creativity and ongoing commitment to ensure the learning continued with unwavering support. This year has exemplified the importance of community, and our theme for 2021 **empowerment**. There are many individual success stories that will continue to be shared when we return in 2022.

Our outstanding results where 13.3% of the eligible cohort achieved an ATAR score above 95 demonstrates the importance of close monitoring, teachers ensuring high standards can be displayed in moderation, targeted assessment design and excellent course counselling to ensure our boys are set up for success. 27 students received an ATAR score of 90 or more - that's 25.7% of the eligible Year 12 cohort (cf. 24% in 2020, 23.1% in 2019 and 26% in 2018). This is an outstanding achievement and continues our tradition of strong academic excellence. Furthermore, 38% achieved an ATAR above 80. (cf. 47% in 2020, 45.2% in 2019 and 41% in 2018).

The number of '**A**' grades was **38.6% in 2021** (cf. 39% in 2020, 38% in 2019, 34% in 2018, 32.4% in 2017 and 30.7% in 2016). This is excellent and underlines the good work of staff in encouraging students to do their best. 83% of all grades were in the A or B band which is well above the State average.

Congratulations to Dux for 2021 **Jordan Zorzi** (99.85) and our Proxime Accessit **Jack Basso** (99.4).

A total of **29 Merits** were attained (cf. 29 in 2020, 31 in 2019, 26 in 2018, 18 in 2017 and 15 in 2016). An **additional 46 A+** grades were attained (without Merit) and this is also an achievement to be celebrated.

Merits were achieved in a wide range of subjects including Research Project, English, Essential English, Chemistry, Music Explorations, General Maths and Integrated Learning 10 and 20 credits. A+ grades were also achieved in Physical Education, Business Innovation, Music Performance Solo, Music Performance Ensemble, Physics, Mathematical Methods, Industry and Entrepreneurial Solutions and Digital technologies. The breadth and depth of teacher expertise and students thriving in their learning is expansive and admirable.

Special mention needs to go to Jordan Zorzi who achieved Merits in Research Project, Music Explorations, Chemistry and English and Sebastian Rapuano who achieved 3 Merits in Research Project, General Maths and English as a Year 11 student.

Finally, our **SACE Completion** for this year's cohort was **100% for the fifth year in a row**.

Congratulations to all involved with the Class of 2021. We know that the success of our Year 12 class is not simply completed within the year. It takes the support and commitment of a collaborative community working towards common goals. Well done to all!

Have a great Christmas break and enjoy the holidays.

God Bless,
Nicole Laube and Kerry Hodkinson
