Match Report

Cricket

Rostrevor 10A v Sacred Heart – One-Day Game Saturday 27th February

Rostrevor 6/124 def Sacred Heart 8/74

Written by Craig Myall

Best Players

- 1) Henry Brand
- 2) Rupert Polkinghorne

Rostrevor won the toss and elected to bat.

Rupert Polkinghorne was promoted up the order following his maiden half-century against Adelaide High and, immediately, he and Henry Brand found some great cohesion and began building what would be a match-winning total. Their opening partnership of 81 came to an end in the 15th over when Brand was caught on 42 from 43 balls which included six boundaries. He was soon followed by Polkinghorne with the score on 86 for a well-compiled 36 from 52 balls. When Jack Haddad was dismissed with the score on 3/104, it triggered a mini collapse of 4/4 as the middle order went in search of fast runs. Henry Myall - 14 from 18 balls - continued his good early-season form with the bat, and the Isaac Kelly/Elliott Melino partnership of 16 ensured the score of 6/124 after our allotted 25 overs would be very competitive.

Sacred Heart lost its opening partnership in the fourth over when Josh Mothersole (1/6 from 3 overs), who has been bowling with very good pace and accuracy, trapped Raphael LBW with the score on 7. Wickets flowed steadily from there on with Haddad (2/11 from 3 overs) and Polkinghorne (1/5 from 3 overs) tearing up the top order to have Sacred Heart reeling at 4/32 after 11 overs. From there on, in the result was never in question and Kelly (2/3 from 2 overs), Kothari (1/12 from 2 overs) and Nitschke (1/2 from 2 overs) all cashed in with wickets leaving Sacred Heart stranded at 8/74 from 25 overs.

It was a great win by the lads following a tough first game against Adelaide High and, importantly, our line and length bowling was much better, as was our fielding. All 12 players got at least 1 over, with special mention to Isaac Kelly who performed extremely well with both bat and ball in his first match with the 10As. Best players were Henry Brand and Rupert Polkinghorne who not only shared a fantastic opening partnership of 81 at close to a run per ball, but also shared the wicket keeping responsibilities for the match and kept a clean sheet of byes.

We have a weekend off this week for the long weekend before we face Adelaide High School 2 on their turf on March 13th.
