Our brand new 250 seat entertainment deck, 150sqm children's playground area, state of the art lighting, 4 world class greens and value packed bowls packages make Figtree Sports an ideal venue for your next Barefoot Bowls Party.

Club Bowls Co-Ordinator David Kelly has over 10 years of experience hosting Barefoot Bowls Parties between Wollongong and the Gold Coast and that has culminated in the fantastic new packages now on offer in our revamped venue. David is highly customer service focused and combined with his wealth of bowls knowledge is bound to make your experience enjoyable and memorable. Each session begins with a 10-minute crash course from David.

Night Barefoot Bowls is now possible with the introduction of lighting over 10 of our rinks. This gives us the ability to host night Barefoot Bowls Parties for groups of up to 80 people.

## Barefoot Bowls FAQ's

***I have never played before, how will I know what to do?*** All packages include a 10-minute group tuition, teaching you how to play, how to look after the green and the best way to play for your group size. For those groups that a little more competitive, a tournament can be organised.

***What do I wear?*** Figtree Sports has a casual dress code; however, SINGLETs OR MUSCLE SHIRTS ARE NOT PERMITTED to be worn by males on the club premises (this tends to be the biggest offender).

***On the feet?*** Although we call it Barefoot Bowls, we think it is best to wear a pair of Thongs OR some flat soled shoes for your own safety.

***Is there a time limit?*** A time limit of 2 hours for bowls is enforced on busy days.

***What is the cost of Bowls without a food and Drinks Package?*** \$10 per person

***Are Kids allowed to come along?*** Of-course they are! We have Kids packages to keep them entertained and rubber bowls to keep them safe. If they can walk, they can play! But there are some rules to keep them safe.

***How do I pay?*** Cash, Card, Company Cheque or Direct Deposit are all acceptable forms of payment.

***Do I need to pay a deposit?*** A deposit of 50% is required on bookings of groups of 50 or more, with the remainder payable on the day.

***When do I need to confirm numbers?*** We ask that you confirm number and any special dietary requirements 24 HOURS IN ADVANCE. For catering purposes, we will need to hold you to this number. For example, if you confirm for 20 people and only 18 show, you will be charged for 20 people and still be provided food and drinks for 20 people.

***What if it rains?*** You are able to cancel without penalty (and/or a FULL REFUND of any money paid) in the event of inclement weather. If you still wish for your party to go ahead, we are happy to provide an area for you to still go on with your food and drinks package. Vouchers will be handed out for a free bowls session to all participants to use at a later date of their choice.

***Can I have my 18<sup>th</sup> Birthday Party?*** We do not cater for 18<sup>th</sup> Birthday Parties

***Can I bring my own food?*** Celebration cakes such as Birthday cakes are permitted. No other food is permitted. Snack packages are available by request through The Pickled Fig.

***Vegetarians, Vegans and special dietary?*** We are able to vary the menu to meet any special needs. Please notify 24 hours in advance.

***How do I book?*** Contact Figtree Sports Bowls Co-Ordinator David Kelly at the club on 02 4227 1888 OR Mobile number 0452 618 882.

## Green Rules

Before we start, in order to keep our Bowling Greens to a championship standard AND to keep you all safe, there are some rules to keep the fun rolling:

- ***Respect the Green at all times.*** They are easily damaged and not so easily repaired.
- ***Smoking, eating and drinking on the greens is not permitted.*** Please observe our smoking areas and enjoy your food and drinks greenside.
- ***Bare feet, thongs or flat soled footwear are required when playing.*** High heels, boots or shoes with tread will damage the Green. If you are in Bare feet, please be sure to have footwear on when entering the club.
- ***Driving is not permitted*** (bowling with force to remove another bowl). The aim of the game is to get one or more of your bowls closer to the Jack than your opposition, not to hit a target.
- ***Roll the bowl as close to the ground as possible.*** “Throwing”, “lobbing” or “chucking” the bowl WILL cause damage to the green.
- ***Sitting on edge of the greens is not permitted.*** This will cause damage to the edges of the green and make the “ditch” area uneven
- ***Report broken glass immediately.*** This is a major reason why we encourage flat soled foot wear to be worn at all times.
- ***Offensive language and clothing will not be tolerated.*** Respect your environment.
- ***Return bowls as a matched set of four*** to where you picked them up.
- ***Enjoy your day or night!*** 😊
