

Census Form Filling Event

Making a Difference Together

The Census is a snapshot of everyone in Australia.
Census data is used to plan the services we all use.
Services like housing, healthcare, and transport.

How will I be included in the
Census if I have no fixed address?

You could call **1300 214 531**

Or - come join us...

Is my info kept private?

Yes. The ABS does not share any
personal information with anyone
else, ever.
