## ONE HAND, ONE HEART

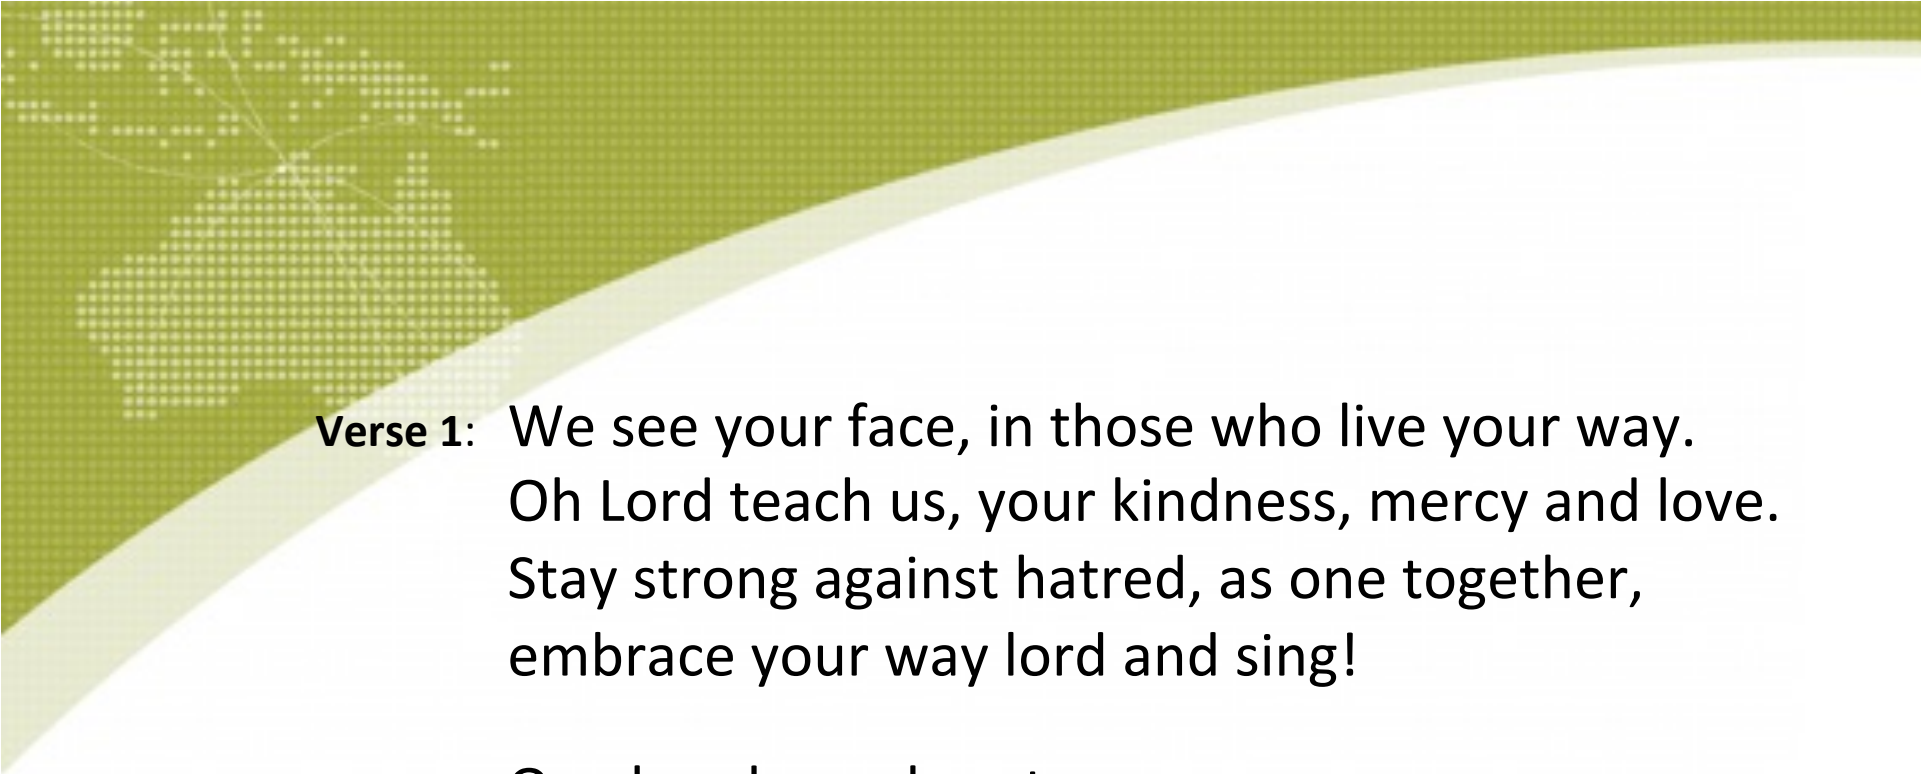

**Chorus:**

One hand, one heart,  
let your people soar.

Use our hands, and use our hearts,  
and together we'll make a start.

Breathe your fire in us,  
Let your spirit soar.

Use our hands, and use our hearts,  
and together we'll make a start.

**Verse 1:** We see your face, in those who live your way.  
Oh Lord teach us, your kindness, mercy and love.  
Stay strong against hatred, as one together,  
embrace your way lord and sing!

**Chorus:** One hand, one heart,  
let your people soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

Breathe your fire in us,  
Let your spirit soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

**Verse 2:** A man lay hurt and dying, No one would stop to help.  
You ask us to be like him,  
and hear their cry, your call.  
Forget your convictions, forget inhibitions,  
just look to the world and see.

**Chorus:** One hand, one heart,  
let your people soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

Breathe your fire in us,  
Let your spirit soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

**Verse 3:**

You come like a river,  
cleansing all who stand in your way.  
A wellspring of protection, guiding us on our way.  
Your love knows no boundaries,  
your love's never ending,  
it teaches, it sets us free.

**Chorus:**

One hand, one heart,  
let your people soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

Breathe your fire in us,  
Let your spirit soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

**Verse 4:** From east to west we call you,  
across our ancient land.

The eldest to the youngest, as one to call your name.  
**From the farthest of places, across your creation,  
we come to light the way. (x2)**

**Chorus:** One hand, one heart,  
let your people soar.  
Use our hands, and use our hearts,  
and together we'll make a start.

Breathe your fire in us,  
Let your spirit soar.  
Use our hands, and use our hearts,  
and together we'll make a start.
