Dear Parents, Caregivers, Students, Staff and Friends of the College,

Year 12 Formal
Last Saturday evening the Formal was held at the Adelaide Convention Centre. Whilst Adelaide’s wintry weather continued, the atmosphere at the Formal was electric!

Many parents took up the invitation to mingle in the foyer with their daughters and sons prior to the doors being opened to the softly lit, sparkling ambiance befitting such an event. Needless to say, the students looked very impressive in their formal attire, arriving in a myriad of vehicles from motor bikes to double-decker buses!

During the evening there was a great deal of interaction throughout the meal and most definitely on the dance floor - some students displaying a special talent previously seen by few! A few thousand photographs should record the event and the role of the many staff present throughout the evening was made very pleasant by the fine conduct of our students.

At the conclusion of the Formal the students headed in various directions and the 'buzz' as they departed was captured in the numerous smiles and 'thank-you's'. All in all a good night was had by all. A special thanks to the many staff present on the evening and to the exceptional support provided by parents in ensuring that the celebrations were appropriate for Year 12 students.
By way of a review of the event I’d appreciate some feedback from parents on the following. The Formal occurs at a what staff would suggest is a difficult time of year for Year 12 students. It is a distraction which impinges on the teaching and learning program for a number of days as the students are understandably distracted. Later in the year the Graduation Dinner marks the formal conclusion of the graduating class and this is also a costly event. So, for families and their students there are two significant formal events in the second part of the year.

Some schools have moved the 'Formal' to Year 11 such that there is a formal event in both Year 11 and 12. This ensures that the study program of our students is better managed and that costs are spread over a longer period. It’s important to consider that the focus is on the educative aspects of a formal, social event and its organisation. Should any change be made, no Year level group would be denied a 'Formal’. It would mean that in the transition, should it occur, two would need to be held.

So if you have any thoughts please contact me via principal@shcs.sa.edu.au. The views of the staff and College Council will also be sought.

As we head into the term break it is important for our students and staff to make the most of the break - to rest, recreate, rejuvenate and re-charge for the rest of the year. For Year 12 students especially, this means that the term break must include some time studying. Hopefully some extra motivation can be found in the Careers Night this week which has been so diligently organised by Mrs Prue Wilkosz (Pathways Coordinator) and ably assisted by Mrs Annemarie Honner.

I thank the staff and students for their efforts in the first half of the year and look forward to a highly successful second half of 2014!

Regards

Steve Byrne

Jesus exclaimed, ‘I bless you, Father, Lord of heaven and of earth, for hiding these things from the learned and the clever and revealing them to mere children. Yes, Father, for that is what it pleased you to do. Everything has been entrusted to me by my Father, and no one knows the Son except the Father, just as no one knows the Father except the Son and those to whom the Son chooses to reveal him. ‘Come to me, all you who labour and are overburdened, and I will give you rest. Shoulder my yoke and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. Yes, my yoke is easy and my burden light.’

The above reading is the Gospel of the Day for the Feast of the Most Sacred Heart of Jesus, obviously where our College draws its name. The following background was presented to all students last Friday, to recognise the Feast.

The devotion to the Sacred Heart is one of the most widely practiced Catholic devotions. The devotion takes Jesus Christ’s physical heart as the representation of his divine love for humanity. The devotion emphasises the unmitigated love, compassion, and long-suffering of the heart of Christ towards humanity. The Sacred Heart is often depicted in Christian art as a flaming heart shining with divine light, pierced by the lance-wound, encircled by the crown of thorns, surmounted by a cross, and bleeding. Sometimes the image is shown shining within the bosom of Christ with His wounded hands pointing at the heart.
MSol – Winter Sleepout
The Winter Sleepout will be on Friday, Week 2, Term 3. As part of the sleep out, students will sleep outside, overnight to experience what life is like for a homeless person. Any donations of blankets, sleeping bags, beanies, scarves and the like would be gratefully received. They can be left in the Marist Centre.

Daniel Head
Director of Marist Mission

MSol – Shoe Drive
Friends of teacher Ms Kate Roberts teach in Indigenous communities in the APY Lands (Mimili and Indulkana). These teachers sometimes find it hard to connect with the students, but they are training for a marathon this year and have ended up with about twenty young Indigenous kids following them on their runs each morning:

As a result, they have started up a running program at both communities and are aiming to tie it in with the Indigenous Marathon Project. However, at the moment the students are running bare foot or in thongs so the long distance running is a problem. They are looking for donations of sports shoes that are still in good condition, but are no longer needed.

If you have shoes in good condition but that are no longer needed, please bring them to the Marist Centre or the Library as soon as possible.

Teresa House Mass
On 25th June Teresa House celebrated their house mass with the Theme of Family. Fr Peter Sheedy celebrated the mass and students provided beautiful reflections on their own families. A highlight was the reflection after the mass by Alice Kennedy, who reflected on what family means to her, being a boarder from France! Thanks to Helen McCarthy and all of Teresa House for a wonderful celebration.
This edition of our eLearning update contains a message for all students as well as a couple of new features of Google Docs.

**A message for all students:**

You should be proud of your achievements this semester! Look how far you have come.... It was only a short time ago (six months) that you started your Google journey. Of course there are still things to learn, but that is the nature of technological change.

Consider the changes that have taken place over the last ten to twenty years. Your parents can remember their teachers using a blackboard (with dusty chalk!). You have seen the change from whiteboards to smart boards not that long ago.

Instead of researching information by leafing through an encyclopaedia like your parents did, you have instant access to information by going online. Your access to communication is at your fingertips - not so for your parents when they went to school - they didn’t have smart-phones, email, Skype and Google-chat when they were at school.

You have come a long way these last six months. Remember last year when you had to borrow a laptop for a lesson? Remember having to log-on to the network - didn’t that take forever?! And remember how you had to save your work? How many of you lost your work because you forgot to save, or lost your USB, or your home device crashed?

You have come a long way - you should be very proud!

**New features of Google Docs:**

You may have noticed some of the following changes to Google Docs

1. Files can now be deleted through the file menu
   by selecting “Move to bin”
   Previously files could only be deleted by right clicking on the name of the file in the Google Drive.

2. “Move to folder” icon now appears beside the document name.

**Helpful hint:**

Did you know that you can change the name of a Google doc simply by clicking on the name of the document?

Click on this title to bring up the “Rename” dialog box
**Humanities and Social Sciences**

**Year 10 Accounting**

Year 10 Accounting students revised for their end of Semester test by designing revision games based on what they had learnt throughout the course. Pictured here are some of the students playing the games.

It must have worked because they achieved some great results!

**Business and Enterprise**

Earlier this year Julie Tohl, proprietor of Paisley Btq. on Jetty Road Glenelg, spoke to four Business & Enterprise classes. Her informative and inspiring talk provided students with an insight into the day to day running of a small business. She provided us with practical advice on maintaining a successful business and how to survive in business today.

Prepare to be challenged, moved and enlightened in this 90 minute investment in your safety and that of your children.

Sacred Heart College has partnered with the SA Metropolitan Fire Service, Save a Life Australia and Adelaide BMW to deliver this presentation towards the parents of children learning to drive. It will focus on our role as responsible drivers and road users and how we can pass our knowledge onto the next generation of drivers.

Road crashes are the number one cause of death of 16–24 year olds throughout Australia. This RAP presentation will be as confronting as it will be inspiring.

“The benefits to all communities are far reaching. We believe that we really can start to make a difference to how all future and current drivers behave on our roads.” Darren Davis, Save a Life Australia

Please Note:

- Sacred Heart College Year 11 students will attend their own RAP presentation held the next day, hence are not required to attend this event.

- This presentation is not suitable for young children

SHCS and Assumption College Kilmore Exchange
22\textsuperscript{nd} – 24\textsuperscript{th} August 2014

The Sacred Heart College and Assumption College exchange has been taking place for 58 years and presents as a great tradition for both Colleges. The weekend is a significant gathering of the Marist Community that enables students to participate in a range of activities within our respective schools. The exchange enables students to display their academic, performance and sporting talents in a competitive and mutually supportive environment.

Competition involves Debating, Open A Soccer, Open A Hockey, Open A Netball, Open A Basketball, 1st XV11 Football, Sprint Skins, plus a musical and dance performance.

Participation in this Exchange requires students committing themselves to the entire weekend from Friday to Sunday.

To ensure the success of the weekend we rely on families welcoming young people from Assumption College into their homes. The College will be looking to billet 125 students for two nights and an outline of the weekend is included below. We will soon be asking for your help. It is a great way for all students to come together to support this wonderful weekend. You don’t have to be in the Sport, Debating or Music to host a billet.

SHCS STUDENT
ABSENCE/LATE ARRIVAL
PROCEDURE
All parents/caregivers of students attending SHCS must notify the College absentee line 8350 2594, when a student will be absent from school or is arriving late to school. The absentee line is a recorded message service and is available 24 hours, 7 days a week to take calls regarding your child’s absence/late arrival to school. Please call this number before 9.45am on the day of a student absence. For multiple days absent please give dates and the reason.

If your son/daughter will be arriving late to school, please call the absentee line and leave details on the message recording - i.e. name, reason for late arrival and an estimated time of arrival. Students are to then sign in at the Front Office when they arrive.

This service can also be used to advise the College of your daughter/son’s early departure for an appointment or family event. Otherwise please write a note of explanation in their diary. In either case students must sign out at Front Office before leaving College grounds. If your son/daughter is unwell at school, we would prefer that they did not contact parents in the first instance. Rather they should attend the Health Care Centre to see the nurse who will contact you if the student needs to go home.

For any further enquiries, please call Reception: 8294 2988

Absentee Line: 8350 2594
please call before 9.45am

Your cooperation in these matters will be greatly appreciated by College staff and will assist us in maintaining accurate attendance records.

**SHC Centenary Celebration and Fundraiser**

**SATURDAY, 11 OCTOBER 2014**

To commemorate 100 years since the Marist Brothers located Sacred Heart College at Paringa Hall, the SHC community is planning a major fundraising event. The College plans to memorialise this significant historical milestone with a major refurbishment of the College Science Laboratories.

The SHC Community would like to make a major contribution of funds towards that refurbishment. There will be a cocktail function and auction held in the Debourg Performing Arts Centre on Saturday, 11 October 2014. We are hoping to have 400 guests (parents, friends and old collegians) at this event, with our target to raise $100,000 to contribute to the science laboratories.

Tickets will be $100 inclusive of food, drinks and great entertainment provided by “Along Comes Mary”, together with performances by music, dance and drama students.

There will also be “ghost tours” of Paringa Hall for a small fee.

If you would like to donate any item(s) for auction, please contact Jane Ping on 8305 2590 or email jane.ping@shcs.sa.edu.au or Robyn Verrall on 0408 542 057 or email robynverrall@bigpond.com.

Parents/Caregivers of Year 10 & 11 Students – Information Evenings

YEAR 10 PARENT INFORMATION EVENING
A SACE/Subject Selection Information Evening is to be held early in term 3. The purpose of the Information Session is to outline the requirements of the SACE (South Australian Certificate of Education) and give a general outline of the process for the selection of subjects for Stage 1 (Year 11) 2015 at Sacred Heart College.

We invite parents/caregivers of students in Year 10 to attend on Wednesday, July 30 at 7.30pm in the Debourg Performing Arts Centre.

YEAR 11 PARENT INFORMATION EVENING
Parents/caregivers of Year 11 students are invited to attend a SACE/Higher Education Information Evening on Wednesday, August 13 at 7.30 pm in the Debourg Performing Arts Centre. We will look at issues concerning subject selection for Stage 2 (Year 12) in 2015, particularly for students considering further study, e.g. University Entrance requirements, TAFE options etc. This information session is an important part of supporting you and your daughter’s/son’s choice of subjects.

Early in term 3, all Year 10 and 11 students will receive a subject selection folder to assist them with the subject selection process. It is suggested that you read through this information and bring it with you to the Information Session. Subject selection information will also be presented to students during school hours.

It is anticipated the information sessions will last for about an hour.

We look forward to your attendance,

Mrs Karen Bailey
Director of Teaching and Learning
