Sports Day is on Sunday 24th March

Dear Parents,

In your very busy lives we need you to **give St Dom's top priority** this week as we seek your help and every other family's help to make our Annual family Sports Day a great success.

An email went out to all parents yesterday enabling you to use the link to the Online Roster. Thanks for your enthusiastic response so far.

Inside this Bulletin you will see just how much we need every parent's support. What a great way it is to get to know other parents as you give us an hour of your time on one of a diverse range of stalls offering food and drink. At present there are two stalls doing well the drinks and the Vietnamese food. All others would love your name to appear either:

**online here: <http://signup.com/go/YujvNEw>
or via the paper reply in this week's Bulletin**

We are very grateful for the offers so far and the replies to requests for cakes and biscuits.

And now please read some vital information below.

-  Did you know that there is a traditional **Mother and Daughter** and **Father and Daughter relay** in Primary and Secondary, the last event on Sports Day? All welcome.
-  Have you taken into account the fact that **your daughter needs to be at the Sacred Heart College Oval at 8:45am**? New parents need to familiarise themselves with the location. Maps are available from the College Office or via Google Maps here: <https://goo.gl/maps/W35ixWrffh22>
-  The **Sports Day Raffle book** went home yesterday (Tuesday 12 March). Please sell these tickets to friends and family. All proceeds support sporting equipment at St. Dominic's. Thanks to those who have already brought theirs in.
-  **If you can assist with transport to Sports Day** for a student who is without transport would you let us know through the reply slip in today's Bulletin? Thank you.
-  Please respond to the special requests from the Parents & Friends Association re **the Sports Day Parent Roster?** Details inside.
-  Has your daughter told you that she is able to start school late on **Monday 25th March at 10:50**? If she is not at Sports Day she comes instead to school at the *normal time*.

The Blessing Ceremony and the Opening of the Year 12 Centre

The Blessing Ceremony and the Opening of the Year 12 Centre by His Excellency the Honourable Hieu Van Le AC takes place on this Friday 15th March. A full coverage will be given in next week's Bulletin.

Sr. Jillian Havey, Principal

Primary News

from Ms. Cate O'Leary
Primary School Coordinator

The term is moving along and it is hard to believe that we are over half way through already!

IT Updates: Our students are enjoying the new computers in our Computing Room and the new laptops are also frequently used. The Year 2 and 4 classrooms now have Smart TVs, with other classrooms changing from the Smartboards to Smart TVs in the future.

I was typing and doing some painting on my computer. It was fun. - **Sienna C**

I kept trying again because I did a mistake. I rubbed it off and it looks good now. - **Sofia G**

I like how the computers have lots of things to touch. It was not scary, it was fun. - **Eva V**

Field Day: Thank you to Michelle Richter for all her amazing organization and to all the Primary teachers, parents and students for their hard work on Tuesday. We worked through the whole program quickly and efficiently, and this would not have been possible without the co-operation, enthusiasm and resilience of our wonderful Year 3 to 6 students who competed very well.

Project Compassion: Thank you to our students who have been putting money in the **Project Compassion** boxes which are in each classroom. Your support is very much appreciated.

Friday Morning Mass: Year 5s will need to be in the Chapel by 8:10am Friday for 8:15 Mass. The expectation is that all Year 5 students attend and contact should be made to Mr Mortimer, if your daughter is unable to attend.

Assembly in Week 8 will be hosted by the Year 3 Class. All welcome and it begins at 2:30pm in the Hall.

We had a wonderful time being on our new computers making a picture using Pixi 4. We created a poster and it was fun. **Ellie S and Danielle E**

In and around the classrooms:

On Tuesday 5th March the Zoomobile visited the Year 1 class. It was a very eagerly anticipated visit as it was supposed to happen on Aussie Day last week but it was **TOO** hot for the animals. So, we rescheduled and we had a great time interacting with the animals.

I gave the Pinky the bilby a treat, he licked my hand and it tickled! - **Nimah G**

I patted the bilby he was very soft. - **Ellie Rose C**

The snake was very smooth and warm. I was scared because at the start I thought the python was dangerous! - **Scarlett W**

I patted the quokka, he was very cute. - **Danielle C**

YEAR 1

Preparing for Sports Day is well and truly underway

Parents & Friends

Sports Day preparations for catering are now well under way. We would love it if every family would consider some small role for the day - whether it be to bake a cake or two, or offer to cook the BBQ or serve morning tea. Just an hour of your time is all we need to help the day run well.

**All stalls are presently in need of more help
Please take a moment to sign up online now
<http://signup.com/go/YujvNEW>**

Are you able to assist with the unpacking of goods at St. Dominic's on Sunday 24th March?

If you can spare an hour assisting with the unpacking of goods that *we bring back from Sacred Heart at the end of Sports Day*, we would be most appreciative. If you can assist, please contact stdominicspandf@gmail.com

Baked Goods for Cake Stall: For any who are kindly donating any goods for the Cake Stall please note that due to storage reasons **we are unable to sell cakes with fresh cream**. Your fresh-baked goods will be greatly received by the Cake Stall on the morning of Sunday 24th March at stall set up for Sports Day. Please ensure that for each item you provide, there is an ingredients label attached.

If you have any questions about the Cake Stall or need **containers** or **cellophane bags** for baked goods please email stdominicspandf@gmail.com

**Year 7 Geography
Liveability Field Study**

In Year 7 Geography, we are currently studying the unit: *Liveability*; in

particular, we have been looking at how we can measure liveability and what factors impact our decision to live in certain areas.

Last Friday, 7W and 7B went on a Field Study around North Adelaide observing the livability of the area. Both classes had the opportunity to rate different aspects of North Adelaide, from general appearance, the quality and efficiency of the public infrastructure and the community facilities and support services available.

Once back in the classroom, we were able to compare our ratings. It was very interesting to see the varying student ratings for the different aspects including the different opinions that came from the excursion. Overall, we found that North Adelaide is a very liveable place, and the excursion itself was an exciting field trip.

An and Shahla (7W)

Just Leadership Day

On March 4, Six Social Justice students from Year 11 attended the 'Just Leadership Day'. It was an informative experience, which gave us the opportunity to understand the many inequalities evident today in society through a modified version of monopoly. Along with other schools, we were able to debate whether the system needs to undergo a change, in order to give as much support where it is needed expeditiously. Overall, it was an enjoyable day where we were also able to make friends and have a goal, to create a beneficial change in our society.

- Isabel, Ashley & Doan on behalf of the Social Justice Group

Australian Government
Department of Education and Training

2019 Student Residential Address Collection

This notice is from the Australian Government Department of Education and Training (the department), to advise parents and/or guardians that the department has requested that St Dominic's Priory College provide a *statement of addresses*, in accordance with the *Australian Education Regulation 2013 (Cth) (Regulation)*.

A *statement of addresses* contains the following information about each student at the school:

- Students' residential address (**not student names**)
- Students' level of education (i.e. primary or secondary)
- Students' boarding school status (boarders or day students)
- Names + residential addresses of parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

Purpose of the Collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

On 20 September 2018 the Government announced that it will implement a new, improved capacity to contribute methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. This follows a review of the existing socio-economic status (SES) score methodology by the National School Resourcing Board. Further information about the review and the Government's response can be found here: <https://bit.ly/2XKhuDG>

The information collected in the *statement of addresses* will be used to refine the new capacity to contribute methodology and may also be used in school funding calculations from 2020.

Use and Disclosure of Information

Your personal information is protected by law, including the *Privacy Act 1988 (Cth)*. Any use and disclosure of your personal information relating to the statement of addresses will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (ABS), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP is here: <https://bit.ly/2XKqzvj>

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to its service providers, including the Australian Government Department of Jobs and Small Business, for the purposes of the provision of information and communications technology (ICT) support services to the department.

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, you may wish to ensure that your school has the most up-to-date and correct details for your family.

Contact

If you have any further questions regarding the collection, you can contact the department directly by:

- Email: seshelpdesk@education.gov.au
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at www.education.gov.au. The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how to make complaints about breaches of the *Privacy Act 1988 (Cth)*
- how the department will deal with these complaints.

SPORTS NEWS

SACSSGSA Swimming Carnival

The Interschool Swimming Carnival took place last week and each year we give it 110%. From a very eventful afternoon at Marion Aquatic Centre and some stiff competition, everyone was enthusiastic and eager to do their best in every event. Despite having no swimmers in the 16+ category, St Dominic's placed 6th overall out of 8 schools. We took out 4th place in the U13 and U16 division thanks to some impressive achievements from Amber Cameron placing 1st 50m Backstroke, 2nd in 100m Breaststroke and 3rd in 200 Individual Medley for U16s as well as other events, along with myself placing 2nd in U16 50m Freestyle. The U14 and U15 division saw Stephanie Jones place 1st in 50m Breaststroke along with a wonderful job by Hannah Cameron and Ella Wood placing 2nd and 3rd in numerous events. Overall every swimmer is to be congratulated on the amount of effort put forward.

PROJECT COMPASSION

WEEK TWO
Tati's Story

Tati lives in the remote forest of Indonesia. She is a mother of three who was earning an income working in a local rubber plantation. Since taking part in eco-tourism training with Caritas Australia and its partners, Tati can now afford to send her children to school. With new hope and commitment Tati aspires to a future free from poverty for her family.

Please donate to Project Compassion 2019 and help lift communities in Indonesia out of poverty, and give them hope to protect our common home.

Lives change when we all give 100%. You can donate through Project Compassion boxes, online at www.caritas.org.au/projectcompassion or by phoning 1800 024 413
