Subject: Reminders: Transition Day and Medical Information

Dear Families,

We are looking forward to seeing your child/ren for their allocated Transition Day in Week 4!

If you haven't yet, I encourage your family to watch the Transition Tuesday video specifically on [Transition Days](#) to help settle any nerves or questions you or your child/ren may have.

Which day does my child/ren attend Transition Day?

Tuesday, 2nd November 2022	Thursday, 4th November 2022
All other schools	Holy Family Catholic School
	Our Lady of Hope School
	Saint David's Parish School
	Saint Francis Xavier
	St Augustine's Parish School

What if my child/ren cannot attend Transition Day?

Please let us know ASAP if you haven't already done so.

What does my child/ren wear and bring to Transition Day?

Children are to wear their current primary school PE uniform and hat. They can bring their own recess and lunch (food and drink) otherwise they may bring some money to spend at the College Canteen. If you would like to place a lunch order for your child/ren, please visit the following link <https://rorys.com.au/online-canteen/>. Please note there can be delays lining up to get lunch orders.

First Aid & Medication on Transition Day

All families must complete a copy of the First Aid e-form (and any applicable relevant first aid forms) available [here](#) (we are waiting on a significant number to be completed). ***If you have not completed the paperwork and your child has a medical condition we need to know about for Transition Day, please call the college ASAP on 8282 6600 to discuss arrangements.*** Any medication required on Transition Day can be dropped into the Front Office either on or prior to Transition Day (clearly labelled with student name). Please note if we have not received medical plans, consent and/or medication agreements we are unable to provide any medication to your child/ren.
