SECOND HAND UNIFORM ITEMS

Secondhand uniforms are a cost-effective option, but please ensure all items meet our current uniform requirements. Discontinued items are no longer allowed, and students wearing them will be asked to replace them.

Check our uniform guide to make sure your child is ready to start at Gleeson College in the correct attire.

Please note: All items pictured are no longer permitted. Blazer must have white piping, new PE uniform and new school cap must be worn.

DEVON CLOTHING UNIFORM SUPPLIERS

All Gleeson College uniform items are available from Devon Clothing, Modbury. Staff can assist with uniform requirements, sizing and advise on care of garments.

Fitting Appointments

We recommend families book an appointment for new uniform fittings in the lead up to the 2025 school year and to ensure correct sizes are available. If your child outgrows their uniform prior to school starting, items can be exchanged for another size*.

Online Ordering

Orders can also be placed using Devon's online service via their website. Collect in store or delivery available (fees may apply).

*Returns and Exchanges: All garments must be returned in original packaging, unwashed, unworn (apart from trying on) and in 'as new' condition
