

Course Counselling – Year 10 into Stage 1 (2024)

Name:

CG:

Checked by Teacher: ☐

As part of the counselling process we would like you to fill out this worksheet so that we have an idea of what post school options you are considering. This will help us to determine whether you have chosen the subjects that will get you to where you want to go.

Will you be returning to Gleeson College in 2024?

- ☐ Yes, I will definitely be returning to Gleeson College in 2024
☐ No, I will definitely NOT be returning to Gleeson College in 2024
☐ Unsure whether I will be returning to Gleeson College in 2024

1. Import your Semester 1 report results for 2023 below.

SUBJECT	TEACHER	Grade
Faith and Living		
English		
Maths (General / Methods / Essential)		
Science		

2. SUBJECT SELECTION – Accelerated Subjects

Please list any Stage 1 subjects (other than PLP) you have studied, or are studying in 2023

Subject Name	

3. SUBJECT SELECTION – COMPULSORY UNITS

Research Project (1 semester)	Research Project (10 credits)
----------------------------------	----------------------------------

Highlight your choice of Religion Studies, English and Mathematics.

Faith and Living Religion Studies (2 semesters)	Spiritualities, Religion and Meaning		
	Spiritualities, Religion and Meaning (Youth Ministry)		
Literacy (2 semesters)	English A Or Essential English A		English B Or Essential English B Or Pre-English Literary Studies
	Mathematics A		Essential Mathematics A or B
Numeracy (at least 1 semester)	General Mathematics A		

6. Electives – add your final selection here, in order of preference

1.	2.
3.	4.
5.	6.
7.	8.
Reserve 1:	Reserve 2:

4. Career Pathways.

Use <https://gleesoncollegecareers.com.au/> to help guide you.

If you have completed PLP, you will also have completed some research into your future pathway/s.

Possible Pathway	Why?	Further study requirements	Pre-Requisites / Entry Requirements
<i>Example: Bricklayer</i>	<i>I have an interest in construction and enjoy doing physical work. Lots of jobs available.</i>	<i>Cert III in Bricklaying at TAFE or through apprenticeship</i>	<i>Nil</i>
<i>Example: Engineer</i>	<i>I enjoy using complex mathematical equations to solve problems.</i>	<i>Bachelor of Engineering</i>	<i>Stage 2 Spec Maths or Methods. ATAR 75-80</i>

5. BRAINSTORM & RESEARCH YOUR ELECTIVES

Now select up to ten possible elective subjects you may be interested in. Use the Senior Curriculum Handbook, and Learning Area summary videos, to complete the following table.

Please note there are a number of TAFE/VET courses available. Please refer to the course list, and include these in table below if interested. *There are also a number of subjects offered at Pedare, GGHS, South Australian School of Languages, Marden Senior College, Open Access College etc. You can download their Curriculum handbooks from their websites.*

[illegible]

Goal Setting:

To be successful in my subjects next year I need to:
