

# YOU'RE NEVER TOO OLD FOR AN ICE CREAM

The joyous tradition of getting an ice cream cone from an Ice Cream Cart at the local fair, can be revived within the corridors of your Aged Care Facility. Designed as a fun, interactive and engaging activity, the Polymedic Ice Cream Cart allows special ice-creamy treats to be stocked and delivered to your residents. Bringing back the memories of a bygone era, residents can pick toppings and cones from the stylised Ice Cream Cart.

“We have had our Ice Cream Trolley now for over 6 months here at Gill Waminda Aged Care, and it has fast become one of our residents most favorite activities. The residents hear the ringing of the bell on the trolley and are awake and keen for their sweet treat. The residents love being able to pick their toppings, sprinkles, if they want the cone or a bowl, right at their bedroom door or in a sitting room. The staff have also used the ice cream trolley at our Christmas Party and Christmas Carols with the Residents last December. It takes you back to your youth — you hear the bell and you just know what is about to happen! Joyous is how we would sum up our Ice Cream trolley.” **MARG HAYWARD, LIFESTYLE CO-ORDINATOR, GILL WAMINDA AGED CARE**
