Polymedic are Australia's Premier trolley manufacturers with all products manufactured here in Australia. Made from our own special formulated composite plastic makes them lighter than metal trolleys, they are easier to push, yet strong and reliable and while keeping within OH&S standards, all Polymedic trolleys are designed and built with the end user in mind. All Polymedic trolleys can be custom modified to suit your requirements. Polymedic use and recommend only quality castors on all our products.

**All our products come with a 3 Year warranty on frame and castors.**
