

MOBILE STORAGE SOLUTION FOR PATIENT MATTRESSES

MATTRESS STORAGE TROLLEY: IT900-BLS
MATTRESS STORAGE TROLLEY CONNECTOR: IT901-BLS

Developed in consultation with one of our valued customers, the Polymedic Mattress Storage Trolley allows foam mattresses to be aired out and stored with ease. The Trolley can store five mattresses and with a simple click-on connector, allows you to join trolleys together which gives you the ability to store an additional mattress over the connection unit.

PRODUCT FEATURES:

- Durable, light weight frame for easy use;
- Increased mattress storage capacity and mobility;
- Minimal lifting required for both placing and rotating of mattresses;
- Four easy to manoeuvre 75mm castor wheels with braking system;
- Modular system allows you to add, remove and reposition frames according to storage locations.
- Product meets environmental cleaning and infection control standards;
- Aeration, temperature control and increased vapour transmission, promotes mattress foam recovery;
- Safe storage reduces damage of mattress and increases product longevity;
- Standard size: 1215(W) x 790(D) x 1910(H)mm, housing 5 mattresses;
- OH&S risks reduced.
- Manufactured in Australia
