

BRAMPTON COURTHOUSE CONSTRUCTION UPDATE

Alternate Entrance for Lawyers and Staff – May 19, 2017

As part of the on-going front entrance modification project, Brown Daniels has created a temporary entrance and exit for use while the current entrance/exit is under construction. The temporary entrance will have the same equipment and process for entering the building as the current facilities.

The switch to the new entrance will start taking place Saturday, May 20, 2017, and be in full effect the morning of Sunday, May 21, 2017. This new entrance will be in use until the spring of 2018.

Please note there will be a separate entrance available to courthouse staff and lawyers between the hours of 8:00 am and 10:00 am, Monday to Friday. The alternate entrance is located directly outside the PLA Lawyers' Lounge foyer. Proper photo identification is required and we have been advised there will be no exceptions.
