

# BRAMPTON COURTHOUSE CONSTRUCTION UPDATE

## Foundation Work – May 1, 2017

As part of the ongoing Brampton Courthouse addition project, the construction crew will be starting excavation work in the south west corner of the building and will continue working their way across to the south east corner in order to prepare the site's foundation.

The excavation work is scheduled to begin on Monday, May 1, 2017 and will continue to the end of June 2017.

This work is being conducted in order to prepare the site's foundation for construction of the building addition

As a result of the work, you may notice some noise and vibration which will be closely monitored by IO Property Services; precautionary measures will be implemented to mitigate any potential disruptions to courthouse activities.
