

PLA LIBRARY NOTICE

Dear Member,

Please see below for a message from Katie Robinette (Executive Director | FOLA) regarding the Stay at Home Order announcement made by the Ontario government on January 12, 2021.

*Thank you,
Peel Law Association*

Some members have been asking about the new Stay-at-Home Order. You can view the full News Release [here](#). Also, late last night the Attorney General's staff sent some of the stay at home emergency orders that have been filed and posted to e-laws. They can be accessed [here](#). These are "source law" so the Ministry of Health regulation that is changing some of the requirements in the stage 1 order is an amending regulation - consolidated law will be updated later, usually in a few days.

And to pre-empt a common question, there will not be a regulation regarding the suspension of limitation periods coming out this week. There are capabilities for e-filing, virtual hearings, etc. that did not exist back in March 2020.
